Dated October 31, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-12011/9/90-IR(B-3)/IR(B-III) dated 8th May, 1990, for adjudication of the following dispute:—

"Whether the action of the management of Mahakaushal Kshetriya Gramin Bank, Narsinghpur (M.P.) in terminating the services of Kumari Mitali Homrai, Ex-Typist w.e.f. 16th October, 1988 is justified? If not, to what relief the workman concerned is entitled?"

2. Facts leading to this case are that the workman concerned, Kumari Mitali Homrai, was employed in the Mahakaushal Kshetriya Gramin Bank at Head Office, Narsinghpur during the year 1987-88 as a Typist.

3. The workman says that she was appointed as English Typist at H.O. of the Bank on 4th June, 1987. The appointment was made against permanent vacancy. She was the only English Typist working in the Bank's Head Office. Her services were wrongfully terminated with effect from 16th October, 1988 without prior notice, wages in lieu of notice and retrenchment compensation as per Sec. 25-F of the I.D. Act, 1947.

4. The workman had put in continuous service of more than 240 days as defined in Section 25-B of the I.D. Act. The law on the point of continuous service is well settled. The ordinary rule of retrenchment is 'last come first go' which has not been followed while terminating her service as provided under Section 25-G of the I.D. Act. It is further contended that after her termination the Bank has made fresh appointments violating the provision laid down under Section 25-H of the I.D. Act. The workman was a full time employee. Therefore she was entitled to full scale wages to be determined by the Central Government from time to time. She is therefore entitled to be reinstated with full back wages and all other benefits with costs.

5. In her rejoinder the workman has reiterated the same facts as pleaded in her statement of claim.

6. The management has filed its statement of claim duly signed by the Chairman of the Bank. None appeared on behalf of the management throughout the proceedings.

7. The management in its statement of claim says that the concerned workman was engaged during the year 1987-88 purely on daily wage basis for a temporary period. Since she was engaged purely on daily wage basis for a specified period to perform the clerical/typist work therefore the question of engaging her in clear or permanent vacancy does not arise.

8. The management has to follow various instructions and guidelines issued by the Government of India, Reserve Bank of India National Bank and the Sponsor Bank. Since December, 1985 no Bank can recruit any clerical staff directly on their own. The management has not violated the provisions of Sec. 25-F, 25-G or 25-H of the I.D. Act as the aforesaid provisions are not applicable in the present case. The action taken by the management in terminating her services is, therefore, justified and she is not entitled to any relief.

9. Reference was the issue in this case and the case was fixed for evidence of parties.

10. As already stated above the management did not participate in the proceedings except filing their statement of

claim. The case was taken up for evidence of parties on 21st August, 1991. On this date also nobody appeared on behalf of the management. Workman filed her affidavit in support of her case, argued and closed her case. Therefore the case was closed for Award.

11. In her affidavit the workman has solemnly affirmed that she was employed as Typist in the Bank at Head Office, Narsinghpur from 4th July, 1987 and continued to work without break upto 15th October, 1988. Her appointment was made against permanent vacancy. She was a full time typist. Her services were terminated w.e.f. 16th October, 1988 without prior notice, wages in lieu of notice or retrenchment compensation. One Geeta Pillay was given appointment in her place. She is no where gainfully employed since her termination.

12. Material questions for determination are (1) whether the workman was employed on a temporary post; (2) whether she has completed more than 240 days continuous service and (3) whether the management has followed the provisions of I.D. Act before terminating the services of the workman concerned.

13. From the pleadings of the parties and the unchallenged evidence of the workman on affidavit it is amply proved that the workman was employed by the Bank during the year 1987-88 i.e. from 4th June, 1987 to 15th October, 1988 without break as Typist. One Geeta Pillay was given appointment after her termination in her place. No notice or wages in lieu of notice or retrenchment compensation was given/paid before terminating her services. Thus she has completed more than 240 days continuous service, there was permanent nature of work and the management has not followed the provisions of Secs. 25-F, 25-G & 25-H of the I.D. Act. The termination of the workman is, therefore, void ab initio and the order of termination is therefore liable to be quashed and is hereby quashed [See Punjab Land Development & Reclamation Corporation Ltd. Chandigarh Vs. Presiding Officer, Labour Court, Chandigarh and Ors. (1990-II-CIRI)].

14. The workman concerned Kumari Mitali Homrai, is accordingly entitled to reinstatement with full back wages and all consequential benefits with continuity in service. Reference is accordingly answered as under :-

The action of the management of Mahakaushal Kshetriya Gramin Bank, Narsinghpur (M.P.) in terminating the services of Kumari Mitali Homrai, Ex-Typist w.e.f. 16th October, 1988 is unjustified. She is entitled to be reinstated with full back wages and all consequential benefits with continuity in service. No order as to costs.

For Workman—Shri P. N. Sharma.

For Management—None.

AWARD

Dated, October 31, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-12011/11/90-IR(B-I)/IRB-III dated 6th June, 1990, for adjudication of the following dispute :-

"Whether the action of the management of Mahakaushal Kshetriya Gramin Bank, Narsinghpur (M.P.) in terminating the services of Shri Anant Kumar Pandey Ex-Clerk-cum-Typist w.e.f. 22nd December, 1987 is justified? If not, to what relief the workman is entitled?"

2. Facts leading to this case are that the workman concerned, Shri Anant Kumar Pandey, was employed in Mahakaushal Kshetriya Gramin Bank in Narsinghpur during the year 1987 to perform the clerical nature of job.

3. The workman says that he was appointed as Clerk-cum-Typist in Narsinghpur office of the Bank on 7th March, 1987 and continued to work in that capacity upto 21st December, 1987. His appointment was made against permanent vacancy. His services were wrongfully terminated w.e.f. 22nd December, 1987. No prior notice, wages in lieu of notice or retrenchment compensation was given to him before terminating his service. He had worked for a period of more than 240 days continuous service as defined in Sec. 25-B of the I.D. Act. Management has not followed the provision of Section 25-F of the I.D. Act while terminating his service. The termination of the workman amounts to retrenchment within the meaning of Section 2(oo) of the I.D. Act. The law on this point is well settled. Last come first go rule as laid down under Sec. 25-G of the I.D. Act was also not followed. Fresh appointments after his termination were made in the Bank violating the provision of Sec. 25-H of the I.D. Act. The workman was a full time worker and he was entitled to full scale wages to be determined by the Central Government from time to time. He is therefore entitled to be reinstated with full back wages and all ancillary benefits like seniority, graded increments and all other entitlements.

4. The management has filed its statement of claim duly signed by the Chairman of the Bank. None appeared on behalf of the management through out the proceedings except one date i.e. on 29th May, 1991 Counsel for management, Shri R. K. Gupta, appeared and filed his power which was objected to by Shri Sharma, representative of the workman and objection was allowed. Since the management was appearing from the very beginning of the proceedings the case proceeded ex-parte against the management on 29th May, 1991 (1.00 P.M.).

5. The management in its statement of claim says that the concerned workman was engaged during the year 1987 purely on daily wage basis for a temporary period. Since he was engaged on daily wage basis for a specified period to perform clerical job therefore the question of engaging him in clear or permanent vacancy does not arise.

6. The management has to follow various instructions and guidelines issued by the Government of India, Reserve Bank of India, National Bank and Sponsor Bank. Since December 1985 no Bank can recruit any clerical staff directly on their own. The management has not violated the provisions of Sec. 25-F, 25-G or 25-H of the I.D. Act as the aforesaid provisions are not applicable in the present case. The action of the management in terminating his services is, therefore, justified and he is not entitled to any relief.

7. Reference was the issue in this case and the case was fixed for evidence.

8. As already stated above the management did not participate in the proceedings. However, they have sent statement of claim by post. The case was fixed for ex-parte evidence on 30th September, 1991. On this date also none appeared on behalf of the Bank. The workman concerned, Shri Anant Kumar Pandey S/o Shri K. L. Pandey, filed his affidavit in support of his case. After hearing the arguments on behalf of the workman the case was closed for award.

9. In his affidavit the workman, Shri Anant Kumar Pandey, has solemnly affirmed that he was employed as Clerk-cum-Typist in Narsinghpur office of the Mahakaushal Kshetriya Gramin Bank on 7th March, 1987 and continued to work upto 21st December, 1987 i.e. for 290 days. His work was quite satisfactory. His services were terminated w.e.f. 22nd December, 1987 without any enquiry, without prior notice, wages in lieu of notice. He was also not paid retrenchment compensation as provided under Section 25-F of the I.D. Act. There was permanent need of Clerk-cum-Typist in the Bank and he was employed against permanent vacancy. After his termination the Bank employed 32 persons in clerical cadre during the period from 14th September, 1988 to 27th April, 1989. They are still in employment. He has also given the names of 32 persons in his affidavit which need not be reproduced here. The workman has further stated that he is no where gainfully employed since the date of his termination and prayed for reinstatement in service of the Bank with full back wages.

10. Material questions for determination and adjudication of the case are (1) whether the workman was employed on a temporary post as pleaded by the management, (2) whether the workman has completed more than 240 days continuous service, and (3) whether the management has followed the provisions of I.D. Act before terminating the services of the workman concerned?

11. From the pleadings of the parties and the unchallenge evidence of the workman on affidavit it is proved beyond doubt that the workman was employed by the Bank during the year 1987 and the workman had worked from 7th March, 1987 to 21st December, 1987 without break as a Clerk-cum-Typist and there was permanent nature of work as several persons were appointed after the termination of the workman concerned. No notice or wages in lieu of notice or retrenchment compensation was given before terminating his services. Thus he has completed more than 240 days continuous service, there was permanent nature of work and the management has not followed the provisions of Sec. 25-F, 25-G or 25-H of the I.D. Act. The termination of the workman is, therefore, void ab initio. The order of termination is therefore liable to be quashed and is hereby quashed. The law on the point of retrenchment is well settled. A five Judges Bench of the Hon'ble Supreme Court after a review of the entire previous case law on retrenchment affirmed the correctness of Sundermony case. In the case of Punjab Land Development & Reclamation Corporation Ltd. Chandigarh Vs. Presiding Officer, Labour Court Chandigarh and others (1990 II CLR 1).

12. The workman concerned, Shri Anant Kumar Pandey, is accordingly entitled to reinstatement with full back wages and all consequential benefits with continuity in service. Reference is accordingly answered as under :

The action of the management of Mahakaushal Kshetriya Gramin Bank, Narsinghpur (M.P.) in termination the services of Shri Anant Kumar Pandey, Ex-Clerk-cum-Typist w.e.f. 22nd December, 1987 is unjustified. He is entitled to be reinstated with all back wages and all ancillary reliefs with continuity in service. No order as to costs.

D. Murugesan & P. Sankaran, Advocates appearing for the workmen and of Tvl. T. S. Gopalan, P. Ibrahim Kalifulla & S. Ravindran, Advocates for the Management and this dispute having stood over till this day for consideration, this Tribunal made the following.

#### AWARD

This dispute between the workmen and the management of State Bank of India, Madras arises out of a reference under Sec. 10(1)(d) of the Industrial Disputes Act, 1947 by the Government of India in its Order No. L-12011/117/87-D.II(A), dt. 2-3-1988 of Ministry of Labour, for adjudication of the following issue :—

“Whether the management of State Bank of India, Madras through its Chief General Manager, State Bank of India, Madras is justified in denying the following facilities to the workmen unionised in the name and style of State Bank Workmen Staff Union, Madras :—

- (i) To represent workers in accordance with Para 517 of Shastri Award, (ii) To put up notice Board of the Union, (iii) To avail Clerk off facility, (iv) To open and operate Bank Account in the name of Union with the SBI ? If not, what relief the workmen are entitled to ?

2. The Petitioner-General Secretary of the Union alleges as follows :—

State Bank of India workmen staff union represented by the General Secretary has raised this dispute before the Assistant Commissioner of Labour, Central Shastri Bhavan, Madras whose conciliation efforts failed and thereafter the Central Government has made this reference of the dispute to the Tribunal. The General Manager of the respondent by issuing a circular has directed all the branch banks that they should not discuss with the representatives of the petitioner-union, on any grievances except when the aggrieved employee himself represented his grievance to the branch manager. The circular also states that Notice board should not be put up by the Petitioner-Union in any bank branch even if the petitioner-Union has a majority of the staff of the branch as its members. It again directs that all other facilities available to recognised union shall not be extended to the Petitioner-union which is registered but not recognised. The reference book on staff matters contains procedure by which an aggrieved employee raising a personal problem can represent the same to the branch manager and in that case the employee can be represented by an office bearer of a recognised union only. In other words, grievance procedure does not permit an office bearer of an unrecognised union to plead the case of an aggrieved employee. On the other hand, in terms of para 517 of Shastri award, grievance of an employee can be represented by an office bearer of either a recognised union or an unrecognised union. The respondent's refusal to permit the petitioner-union to use and put up notice board in any bank is denial of fundamental right available to a Trade Union. Para (6) of Chapter XXXIV of Volume 1 of the Reference Book on Staff matters treats unrecognised union such as the petitioner, at par with a recognised union in relation to a bank branch in which more than 50 per cent of the workmen are members of the petitioner-Union. By virtue of this status belonging to the petitioner-union in any branch wherein more than 50 per cent of the staff are members of the petitioner union, the union has acquired the following rights :—

- (i) right to represent its own members.
- (ii) to display the union's notice board,
- (iii) to be recognised at branches where the membership strength is 50 per cent or more;
- (iv) To give check off facility; and
- (v) to open accounts in the name of the petitioner's union.

Moreover the respondent has denied the right of the petitioner to open an account in the name of the Petitioner in any bank branch of the respondent by issuing a circular to that effect. The Kancheepuram bank branch has been directed by the respondent to close the account which the Petitioner-Union was having in that branch. The Government of India has made this reference on the dispute in respect of the following claims;

- (i) to represent workers in accordance with para 517 of the Shastri Award.
- (ii) to put up notice board of the Union.
- (iii) to avail check off facility.

- (iv) to open and operate bank account in the name of Union.

Therefore, an award may be passed protecting these rights and directing the respondent to recognise such rights and allow the facilities stated above.

3. The respondent in its counter states as follows :

The petitioner either as a union or as a secretary of the union cannot raise this dispute. Only the workers of the petitioner-union can authorise the union to raise a dispute on their specific demands. Therefore this dispute being raised by the General Secretary and not relating to specific demands put forward by the workmen, is not maintainable.

4. Recognition of a trade union is a matter which by itself is not an Industrial Dispute. Granting recognition or refusing to give is still in the discretion of the employer. Respondent under Trade Unions Act. When recognition of the trade union by the respondent is not an Industrial Dispute, all rights and facilities flowing from recognition cannot also be the subject matter of an Industrial Dispute. The right of the petitioner-union to represent any employee in respect of his individual grievances (to be decided by the manager of the particular branch) in terms of para 517 of the Shastri Award is not denied by the respondent in its circular. But in respect of disputes over grievances which come under the grievance procedure forming part of the code of discipline a recognised union alone can represent the grievances of workmen. Recognition of a union like the petitioner-union can not be granted by taking any single branch of the bank as a unit. But it is granted by taking the strength of the membership or workers of the union spread throughout a circle or the country. There is no absolute right belonging to the petitioner to open a bank account with any branch. According to bank practices and rules the bank has the unfettered right to refuse to permit anybody to open and operate an account. Such denial by the bank to open an account for anyone is not an Industrial Dispute. The Petitioner-Union has been granted check-off facility, that is, the bank branch accepting the duty to collect the arrears of subscription to the union by deduction from the salary of each member of the union at the time of payment. This facility was granted on the advice issued by the Government of India. Similarly the Petitioner-union has been permitted to open and operate its account with the bank, on the advice of the Government of India. But this decision of the respondent to grant check off facility and right to operate bank account is being contested and opposed by the recognised union, that is, State Bank Staff Union in W.P. No. 237 of 1988. This Industrial Dispute has to be dismissed.

5. Points for determination in this I.D. are :—

- (i) Whether the respondent is bound to grant the facilities mentioned in the reference in recognition of Petitioner's rights to have such facilities. To what reliefs the petitioner is entitled ?

6. The General Secretary of the petitioner-union Thiru T. G. Vedanarayanan testified as W.W. 1. The respondent did not examine any witness Exs. M-1 to M-3 have been marked. Para 517 of the Shastri Award enables an aggrieved employee to apply to the manager of bank branch or any authorised officer, seeking suitable remedy. Under the said para the aggrieved worker can avail representations by an office bearer of a recognised union or even an unrecognised but registered union. This right of an office bearer of the petitioner-union which is unrecognised but registered, has not been denied by the respondent. W.W. 1 has not cited any instance of an employee who made an application for redressal of grievance under para 517 of the Shastri Award but was not permitted to avail representations by an office bearer of the Petitioner-Union. Therefore, the question of denial of petitioner's right to represent a workman who brings grievances to the notice of the authority of a particular branch by taking the help of a representative from the petitioner-union does not arise. But as a matter of policy the respondent is giving full rights of representation under the grievance procedure contained in the reference book only to recognised union. There is only one recognised union

in the circle of the respondent. W.W. 1 Vedanarayanan has not pointed out the particular rule which enables the petitioner—union to enjoy the right to use and put up notice boards in any branch wherein it commands membership of more than 50 per cent of the staff.

7. I accept the stand of the respondent that under the grievance procedure forming part of the reference book, an unrecognised union has no right to represent any workman in making out his case. The rights to avail check off facility and to open and operate bank account in the name of the union with any bank branch of the respondent have been granted to the petitioner—union which is unrecognised. But these two rights have been disputed by the majority union, that is, State Bank Staff Union (Madras Circle) being the only recognised one, by filing a Writ Petition in this regard in the High Court, Madras. Therefore it is not possible for the Tribunal to accept any of the rights or facilities claimed by the Petitioner—union and grant any relief in respect of any one facility. The right of the union to represent the worker as given in Para 517 of the Shastri Award has been admitted by the respondent and it has not been at any time denied by the branch. There is substance in the contention of the respondent that this Industrial Dispute is not maintainable because benefits arising from recognition of the union cannot be the subject matter of an Industrial Dispute. The only right belonging to the petition is a narrow one confined to make representation in matters coming under Para 517 of the Shastri Award. I, therefore, find that the petitioner is not entitled any relief and it does not have the rights or facilities claimed except the right available under para 517 of the Shastri Award.

8. In the result, the Industrial Dispute is dismissed. No costs.

Shri Manubhai B. Parmar, 184, The Vjay Kamdar Tenement, Sanjpur Bognia, Ahmedabad..2nd Party  
Regarding whether the action of the State Bank of India, or asking Shri M. B. Parmar to retire voluntarily is proper or not.

Shri M. J. Sheth on behalf of the 1st Party.

#### JUDGEMENT

1. The industrial dispute between the State Bank of India and its employee, Shri M. B. Parmar, arising out of the action of the Bank in asking him to retire voluntarily was entrusted to Central Industrial Tribunal for adjudication whether the same is legal and proper by order No L-12012/184/90-I.R.B.3, dated 4-12-1990 on the Desk Office (Labour Ministry Government of India, under Section 10(1) of the Industrial Disputes Act.

2. The 2nd party, the concerned employee, has submitted his statement of demands, at Exh. 3. As stated therein, he was serving with the 1st party Bank as a junior clerk. He did not remain present to perform his duties from 25-5-1986 to 24-2-1987, with the Bank. He had informed the Bank during the said period by a written application. But the 1st party Bank had remarked not to have received any such application and thus the Bank had not taken into consideration the assurance given by the employee Shri Parmar in writing for remaining absent. Thus Shri Parmar was given a notice by the 1st party Bank to the effect that he had voluntarily retired in such circumstances, which has duly been received by the concerned employee, Shri Parmar. The concerned employee, Shri Parmar has stated in his statement of demands that as mentioned in the bipartite agreement, i.e. Desai Award, that within 90 days of his remaining absent, he had informed the Bank by a written application the reasons for which he had remained absent. Shri Parmar had informed the Bank by his letter dated 7-7-1986, of the reasons for his remaining absent. This letter of Shri Parmar had been received by the Bank on 7-7-1986 and the bank has accepted the fact of having received the said letter. Thereafter the 1st party Bank has written the said letter No. P/606 dated 27-7-1986 to the concerned employee, Shri Parmar, which shows that Shri Parmar had informed the Bank within 90 days from the date of his remaining absent. The periods of absence of the said 90 days expires on 23-8-1986. The second application was handed personally to the Chief Manager of the Bank by the concerned employee Shri Parmar on 6-1-1987 at the Bank. This notice was issued by the Bank to the concerned employee, Shri Parmar, on 6-1-1987, which is not legal and proper being against the principles of natural justice. The concerned employee stated at the end that it was his intention to serve the Bank by presenting himself for the purpose at the Bank which is proved by the afore-said transaction. Therefore, the notice issued by the Bank is legal and unjust. The concerned employee, Shri Parmar, states that his absence being due to illness, no medical cer-

tificate is required in this regard and it was not his obligation to inform the Bank that he had earned leave to his credit. He has written the letter explaining the correct position to the Bank on 3-3-1987. And in this letter all the facts have been clarified. At the end Shri Parmar states that he had met individually the Chief Manager, Shri Shrinivasan and had shown willingness to resume duty on 24-2-1987. Actually the concerned employee remained absent from duty for continuous 17 days. The Chief Manager, Shri Shrinivasan had insulted him and had driven him out of the Bank by suggesting him to go away from the Bank. On 11-6-1987, Shri Parmar had written a letter to the Chief General Manager of the Bank. The designation of the Chief General Manager seems to be of a high position. And pardon has been begged of the Chief General Manager in this letter for the so-called mistake. Shri Parmar has made a submission to the effect that he is entitled to be reinstated in the letter No. GMO/19/5170 dated 30-9-1987. Thereafter he had informed the Chief Manager in this regard by a letter. In the aforesaid circumstances, Shri Parmar has prayed for a relief that he is entitled to 50 per cent of the pay.

3. The 1st Party Bank was issued the notice which had duly been served. The Bank has submitted its written reply at Exh. 6. In para 3 of the written reply, the Bank has stated that the fact stated here about voluntarily retiring the concerned employee from 6-1-1987 is not true. This fact is misleading. Actually the concerned employee, Shri Parmar remained absent from 25-5-1986 to 24-2-1987 from service. Thus he was marked absent from duty from 25-5-86 to 24-2-1987, as he did go on duty. Shri Parmar has accepted this fact in his statement of demands. Ultimately he was voluntarily retired from service because he remained absent from 25-5-1986 to 24-2-1987. The 1st party Bank has stated further clarifying that the concerned workman was actually on sick leave for 1 month and 14 days. During this the concerned workman, Shri Parmar remained absent from duty on account of sick leave from 12th October, 1982 to 9th April, 1983. Thus Shri Parmar remained absent from duty continuously from 1981 to 1985. In the end as per the submission of the Bank Shri Parmar had got the benefit of sick leave. Therefore, in the above circumstances, the Bank had terminated him from service. As per the submission of the 1st party Bank Shri Parmar remained on sick leave for one month and 14 days during the year 1977. Thereafter, he was on sick leave for 12 days from 12th October, 1982 to 9th April, 1983. During 1981 and 1985, had remained on leave without pay for 35 days. Thus the concerned workman Shri Parmar remained absent from the Bank for a total of 29 months and 6 days. In view of his absence, Shri Parmar has submitted an application on 3rd July, 1986 for granting his leave. By the letter dated 22nd July, 1986, the 1st party Bank had given notice to Shri Parmar to get medical certificate with his application. Thus the concerned workman Shri Parmar had not submitted the medical certificate along with his application for leave dated 3rd July, 1986. And he had shown no reasons to the Bank for not submitting the same. Thus the 1st party Bank had not granted his leave because the medical certificate was not available with the application for leave. Although the Bank had demanded the medical certificate, Shri Parmar had not submitted the said certificate. Ultimately, Shri Parmar had submitted this certificate to the Bank on 3rd March, 1987. This medical certificate was issued by Dr. K. M. Patel on 28th February, 1987, in which the fact was stated that Shri Parmar had remained absent from duty from 27th May, 1986 to 29th September, 1986 on account of sickness. On a perusal of the service rules of the 1st party Bank, Shri Parmar is not eligible to get leave and as he continuously remained absent from 25th May, 1986 to 24th February, 1987 from duty and prior to that also, the 1st party bank had come to the conclusion that he is not interested in the service, he was terminated from service under the provisions of the bi-partite agreement, treating him to have left the service voluntarily. The 1st party Bank has stated further in its written reply at exh. 6, that the concerned workman, Shri Parmar had come personally to the Bank on 6th January, 1987 and had handed his letter to the Office of the Chief Manager of the Bank. But, as the said letter was not submitted within 30 days as stated in the notice, the 1st party Bank had informed him to resume duty within 30 days in the notice. The provision of this bipartite agreement is such that within 30 days of the date from

which the bank employee remains absent, he should resume duty or he should inform the bank of the reasons for remaining absent in writing or he should explain in writing to the effect that he has not accepted any other alternate service during the period of absence from duty, or that he does not want to resume duty with the Bank. The concerned employee Shri Parmar had not implemented the aforesaid provisions. And accordingly as he did not resume duty within 30 days, he was benefited to have voluntarily retired from the service the Bank had terminated him from service. The letter given by Shri Parmar to the Bank on 6th January, 1987 was not given within 30 days as stated in the notice of the Bank dated 25th November, 1986; as such the Bank could not implement the said letter. Taking into consideration the aforesaid circumstances, the Bank had given the last chance to the concerned employee, Shri Parmar, to resume duty by issuing the notice dated 6th January, 1987. But, although Shri Parmar had received the said notice, he has not submitted any explanation in writing to the Bank. In addition he did not resume duty within 30 days. Therefore, the 1st party Bank was compelled to terminate his services under the provisions of the service rules of the Bank. Taking into consideration these reasons, the action of the Bank of terminating his services being legal and proper, the reference of the concerned workman should be cancelled.

4. The concerned workman, Shri Parmar had remained present himself and on behalf of the 1st party Bank, advocate, Shri M. J. Sheth remained present.

5. In this reference only one point has arisen for adjudication and that is that whether the action of the managing committee of the local head office of the State Bank of India, of declaring to have retired voluntarily, the concerned employee Shri M. B. Parmar who was working as a junior clerk. If the answer to the above point is in the negative, to what relief can the concerned employee, Shri Parmar, become eligible?

6. The learned advocate, Shri M. J. Sheth has submitted some letters listed at Exh. 8 on behalf of the 1st party Bank which includes the copy of the letter dated 25th November, 1985 addressed by the Chief Manager of the Bank to the concerned employee, Shri Parmar, the letter dated 6th January, 1987 addressed by the Chief Manager to Shri Parmar; the reply dated 6th January, 1987, addressed by Shri Parmar to the Chief Manager, the certificate of Dr. K. M. Patel enclosed with the written reply addressed to the Chief Manager by Shri Parmar on 3rd March, 1987, provisions of the bipartite agreement. All the aforesaid letters have been submitted by the 1st party at Exh. 9 to 13. The statement of the concerned employee, Shri Parmar, has been recorded at Exh. 14. First of all I shall discuss the statement of Shri Parmar.

7. The 1st party Bank has not examined any witness and has given persist to the effect that no evidence is to be submitted.

8. Shri Parmar states in his statement at Exh. 14 that he was serving as a clerk-cum-typist with the 1st party Bank. He was appointed on 22nd January, 1974. In addition he states that he had remained absent from performing the duties of the bank for a long period, during which he had submitted two applications. Of which the first application dated 3rd July, 1986 was on an Inland Letter. The said application he has not submitted before the Court. Because at that he did not have a copy of the said application. As stated by Shri Parmar in the said application, he had informed the Bank that when recovers he will present himself along with the medical certificate. Shri Parmar also states in his statement about the agreement between the union and the staff employees. Shri Parmar accepts in his statement in this regard that in any employee remains absent from duty for 90 days, the Bank should issue notice to him to resume duty within 30 days, although he does not submit any kind of application. But he had forwarded his application dated 3rd July, 1986 by post to the 1st party Bank. Which was replied by the Bank on 22nd July, 1986. In addition he states that the Bank had received his application within 90 days and thereafter he had presented the 2nd application personally to the Bank on 6th January, 1987. In all these applications. Shri Parmar had stated that he will resume his duty when he recovers and brings the certificate of fitness. But, side by side, explaining, he has stated in his statement that the application to the Bank was sent by post on 3rd July, 1986.

Which was replied by the 1st party Bank on 22nd July, 1986. In which the Bank accepted that his application was received. His first application has been received within 90 days and thereafter second application was also handed to the Bank personally on 6th January, 1987. That also has been received by the Bank. The notice issued by the Bank is illegal and the Bank has infringed the said bipartite settlement. He is not bound to implement the notice issued by the Bank. In addition, he states that he had gone to meet Shri Shrinivasan on 24th February, 1987 with the written letter to the Chief Manager of the Branch. But he was not permitted to resume duty. In addition Shri Shrinivasan had acted impolitely with him and had said that he would make get out. On an enquiry about loan Shri Parmar had stated that he had not taken any type of loan. He had stated that he had not received any letter discharging him from the service. He was terminated capriciously as he disacted with the Chief Manager. Shri Parmar had lodged a complaint against the incident to the highest authority for the incident with the Chief Manager. And he has submitted that the notice issued by the Bank was illegal. Ultimately he accepts that he has not to examine any other witnesses. But some correspondence with the Bank that he had have been submitted in this case. Shri Parmar accepts as under in his sur-examination :

"The minor misconduct which has been committed about absence by remaining absent. I accept this misconduct. I have not committed this any serious mistake."

In the cross-examination Shri Parmar states that he was on sick leave due to sickness during the years 1974 to 1985 and in addition leave without pay had also to be taken. In the cross-examination he accepts in addition that he had fallen ill in July, 1986. He used to get fever. For which the medical treatment was taken from Dr. K. M. Patel by taking his medicine. Actually he was sick from 25th May, 1986 and he took medicine from Dr. K. M. Patel. He had taken medicine continuously for three to four months due to illness, from May, 1986. He had recovered after three to four months and thus he did not leave the service. Thus he accepts in the cross-examination that it is true that the 1st party Bank had written the letter 25th November, 1986 at Exh. 9. The reply dated 11th June, 1987 by the General Manager of the Bank was given by the Bank on 30th September 1987.

9. The concerned employee, Shri Parmar in his cross-examination and sur examination seems clear that Shri Parmar was serving as clerk-cum-typist with the 1st party Bank and he had fallen ill in July, 1986. For which he was taking the treatment of Dr. K. M. Patel. As per the submission of Shri Parmar, he fell ill from 25th May, 1986 and this illness lasted for about four to five months. On recovery from this illness he has not resumed duty. In his cross-examination he accepts as under :

"I had recovered after three to four months. But had not resumed duty... I had written a letter to the General Manager of the Bank on 11th June, 1987. But have not submit any copy thereof. Ultimately on 30th September, 1987, they had issued notice to writing to resume duty."

10. No witness has been examined on behalf of the Bank. The Bank has submitted certain letters at Exh. 8 list and the necessary details thereof at Exh. 9 to 13. First of all, I shall discuss the these documentary evidences. Oral statement except the concerned workman, no other witness has been examined on behalf of the Bank. The letters from the concerned workman and the reply from the Bank, all have been submitted. Side by side, the copy of the bipartite agreement has also been submitted.

11. The 1st party Bank had written a letter to the concerned workman on 6th January, 1987 in which it is stated that he has been remaining unauthorisedly absent from duty from 25th May, 1987 and he being very irregular in attending the duty he has openly infringed the Bank rules. This letter of the Bank was written on 6th January, 1987 at Exh. 16. By which the concerned workman Shri Parmar was informed to resume duty within 30 days. If he fails to resume duty within 30 days, the Bank will be able to reckon that he has voluntarily retired from service. The Bank had informed Shri Parmar about the rules made as per the Shastri Award. And the attention of Shri Parmar was drawn to paras 52, 20 and 97 of the Award. The second letter to

Shri Parmar was written by the Bank on 22nd July, 1986 at Exh. 17. In which Shri Parmar was informed to submit the medical certificate. Thus on a perusal of both the above letters, it can be said that the concerned workman Shri Parmar was continuously remaining absent from duty from 25th December, 1986 on account of illness; in respect to which the Bank had written to his letters at Exh. 16 and 17 and was informed to resume duties within 30 days. And Shri Parmar has replied to both these letters on 3rd March, 1987 at Exh. 18. Shri Parmar used to remain absent from duty from 25th May, 1986 and in that regard the 1st party Bank had written letters on 6th January, 1987 and 22nd July, 1987 and had informed to immediately resume duty within 30 days. In order to afford legal and proper opportunity to Shri Parmar, the 1st party Bank had written both the letters informing him to resume duty within 30 days. But instead of resuming duty accordingly, Shri Parmar had written letter dated 3rd March, 1987 at Exh. 18 accepting to have received both the above letters of the Bank. Shri Parmar has also accepted in the said letter in his written reply at Exh. 18 about informing by the Bank to resume duty within 30 days. Yet, he continued to submit that the Bank has not been given the note-worthy reply. Along with his letter dated 3rd March, 1987 at Exh. 18, he had submitted the medical certificate of Dr. K. M. Patel. In the end Shri Parmar had informed to pass the order reckoning his continuous absence as leave without pay. Shri Parmar had informed the Chief Manager of the 1st party Bank by his letter at Exh. 19 that he desires to resume duty for which the Bank should give the necessary permission. The 1st party Bank had replied to Shri Parmar at Exh. 20. In this letter, by way of explanation the Bank had stated that the absence which has been accepted on account of illness, the said absence he reckoned as leave without pay. But this request of Shri Parmar was refused by the Bank in its reply at Exh. 20. The Bank had replied to Shri Parmar vide reply at Exh. 21 that as Shri Parmar did not resume duty within 30 days as stated in the previous letter, his application for resuming duty cannot be accepted.

12. Thereafter, the 1st party Bank had informed the concerned employee Shri Parmar vide letter dated 25th November, 1986 as he had been continuously remaining absent from duty from 26th May 1986. The Bank had made a mention in this regard in its letter dated 8th August, 1986. Yet, the 1st party Bank had asked the concerned employee, Shri Parmar to resume duty within 30 days; failing which, it will be reckoned that Shri Parmar has retired from service on voluntary basis and his service will be terminated.

13. The learned advocate of the 1st party Bank, Shri M. J. Sheth, drawing my attention to Exh. 9 had stated that the Bank had written the letter at Exh. 9 to Shri Parmar as per principles of natural justice and by this letter Shri Parmar was asked to resume duty within 30 days. But even after receiving the letter at Exh. 9, Shri Parmar did not resume duty and was continuously remaining absent. By its letter at Exh. 10 the 1st party Bank had informed Shri Parmar in writing that if he does not resume duty as informed in the earlier notice, it will be reckoned that he has voluntarily left the service and in these circumstances, the concerned employee Shri Parmar shall have to pay to the Bank one month's pay and 15 days notice. Shri Parmar did not reply to the letter at Exh. 10. But in reply to the letters of the Bank dated 25th November, 1986 and 3rd December, 1986, the concerned employee Shri Parmar has clearly stated to the Bank that he had received both the said letters. But these letters were written to the wrong address. Arguing in this regard, Shri Parmar had stated that though the letters written by the Bank on 25th November, 1986 and 3rd December, 1986 were written to the wrong address, he has received the same and in view of these letters he was informed to resume duty within 30 days. But Shri Parmar did not resume his duty. The submission of Shri Parmar in this regard was such that he may be given an extension of 20 days. And he will resume his duty after 20 days. Shri Parmar had also complained about non-receipt of the pay for four months also in this letter at Exh. 10. In the end Shri Parmar submitted to the Chief Manager of the 1st party Bank that although he was informed to resume duty within 30 days, the Bank had not submitted any note-worthy reply to him. Dr. K. M. Patel had issued a medical certificate to Shri Parmar, in which Dr. Patel had clearly stated that Shri Parmar was under his medical treatment from 27th May, 1986 to 27th

July, 1986 and till then he remained absent from duty. This certificate was issued by Dr. Patel on 28th February, 1987, in which no mention is made with regard to the previous absence of Shri Parmar on account of illness. Shri Parmar was remaining absent from 26th May, 1986.

14. On behalf of Shri Parmar, in the written arguments it was stated that as stated on page 72 of the bipartite agreement, which compromise was reached on 8th September, 1983, provision as under has been made. As per this provision, if any employee of the Bank remains absent from duty for more than 90 days, in such circumstances and when any such employee has no leave to his credit; in such circumstances when any employee remains absent for more than 90 continuous days, the said employee shall have to explain his absence to the Bank. The concerned employee, Shri Parmar had drawn my attention to exh. 13 and had stated that he had informed the 1st party Bank within 90 days that he had remained absent on account of illness. In respect of this rule, Shri Parmar had stated that as he had informed the Bank within 90 days, the Bank cannot terminate him. And the notice issued by the Bank to terminate can be reckoned as illegal. I cannot agree with this argument of the concerned workman because as per his arguments, in case of continuous absence for more than 90 days, it cannot be resolved that this notice cannot be made applicable in such circumstances. The Bank had issued the notice to Shri Parmar at Exh. 9 on 25th November, 1986 and it was informed to resume duty within 30 days. The concerned employee Shri Parmar has accepted in this statement of demands that he had been remaining absent from duty from 25th May, 1986. Shri Parmar remained absent from duty from 25th May, 1986 to 24th February, 1987. If this period is taken into account, Shri Parmar himself accepts that he has remained absent from duty for a total of 270 days. Shri Parmar accepts as under in his statement of demands in para 3 :

"First I confess, that I did not attend my duty from 25th May, 1986, to 24th February, 1987, at my Bank, as along/period."

If we take into consideration the aforesaid acceptance, it is clearly proved that the concerned employee Shri Parmar had remained absent from duty from 25th May, 1986 to 24th February, 1987 i.e. continuously for 9 months. In short, he had remained absent for more than 90 days as stated in the bipartite settlement. In other words, it can be said that although he had remained absent for 270 continuous days, as stated in the arguments of the learned advocate of the Bank, Shri Sheth, the 1st party Bank had informed him by letters at Exh. 9, 10 and 11 in writing and had informed him to resume duty within 30 days. The letters written by the Bank at Exh. 9 and 10 from which it can be decided that by thoroughly implementing the principles of natural justice, the Bank had afforded legal and proper opportunity to the concerned employee Shri Parmar to resume duty. And Shri Parmar was informed in writing about the same. And Shri Parmar accepts the same in his statement as well. In the above circumstances as Shri Parmar has remained absent from duty for 270 days continuously, the action of the Bank reckoning that he does not desire to serve and the notice by the bank to have voluntarily retired from service, is in my opinion the Bank has thoroughly implemented the principles of natural justice and had afforded all legal and proper opportunities. I cannot agree to the arguments that Shri Parmar has to submit within 90 days. In the above circumstances, even if the bipartite agreement is completely transformed, even then, as Shri Parmar has remained for more than 150 days continuously, and as this absence lasted for more than 270 days, the order passed by the Bank to terminate him, the notice which has been issued, being just, legal and proper nothing remains now to be done in this reference and, therefore ultimately I pass the order as under :

## AWARD

Dated the October 31, 1991

The Central Government exercising powers under Section 10(1)(d) of the I.D. Act, has referred the following dispute for adjudication to this Tribunal vide Notification No. L-22012/441/90-I.R. (Coal-II), dated the 25th March, 1991:

## SCHEDULE

"Whether the action of the management of Johilla Area of SECL, P.O. Nowrozabad Colliery Distt. Shahdol in transferring their workman Shri Surendra Singh, Security Guard from Nowrozabad Colliery to Umaria and subsequently to Talcher Area, is legal and justified, if not, to what relief the workman is entitled?"

2. In the instance case no statement of claim has been filed by either party. The case was fixed on 6-6-91 for filing of statement of claim. None appeared on behalf of the workman. Thereafter the case was fixed on 12-9-91 and then on 26-12-91. On 3-10-91 Shri R. Menon, Counsel for the management, filed an application alongwith memo of settlement duly signed by S/Shri P. K. Dey and B. B. Singh Dv. P.M. and Dv. C.P.M. respectively on behalf of the management and Shri H. P. Roy, General Secretary, BKKMS (Johilla) for Union.

3. The case was fixed for 31-10-91 for verification of settlement. On this date also none appeared on behalf of workman. Shri R. Menon, Counsel for the management, verified the terms of settlement which run as under:—

1. That the employee concerned Shri Surendra Singh shall be posted to Johilla Area.
2. That the period of absence shall be treated as diasnon and the workman concerned shall not be entitled for any wages on the principle of No work No pay.

3. That in the event of promotion of the employee concerned the union will have no objection to his transfer against vacancy.

4. It appears that the workman has no objection to the terms arrived at between the management and the Union. The terms of settlement appear to be just and fair. I, therefore, record my award in terms of settlement. No order as to costs.

## AWARD

Dated: October 31st 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012/16/86-D.V/D.III(B) and D.III(A) dated 1-10-1987 and subsequent Corrigendum No. L-22012/16/86-D.V/D.III(B) and D.III(A) dated 14/15 December, 1987 for adjudication of the following dispute:—

"Whether the claim of Shri Om Prakash, Dozer Operator that he should be re-designated as Shovel Operator Grade I from October, 1982 with the grade of that post is justified? If yes, what relief is the said workman entitled to?"

2. Facts leading to this case are that the workman, Shri Om Prakash, was appointed as Dozer Operator Grade B, Group B at Gevra Project vide appointment letter dated 23-10-81. He is said to have been promoted as Shovel Operator Grade I vide Order dated 12/13-11-82.

3 Management has not challenged that since the inception of his joining the work of Shovel Operator was taken from him and that vide order of the Deputy Chief Mining Engineer, W.C.L. Gevra Project No. WCL : OCM : GVR. 9197-98 dated 12-10-82 the following order was issued :—

"As you have been trained adequately for operating the shovel, you are hereby authorised to operate the machine with immediate effect."

(See Ex. W/2) Statement of claim para 2 and its reply.

It has also not been challenged by the management that S/Shri C. B. Singh, B. P. Baren and N. K. Tiwari were directly appointed as Shovel Operator Grade I, Group A on 21-5-83. (Statement of claim para 5 and its reply). In fact these facts have not been challenged by the management.

4. The case of the workman in brief is that since the inception of his service though he was appointed as Dozer Operator Group B, Grade B on daily wages at Rs. 25.45-1.30-41-05 but being experienced person who had worked for a long time with M/s. Hydro Electric Powers Corporation Ltd. he was asked to operate the Shovel Machine the workman says that machines were newly introduced at that time and he was asked to operate on the Shovel Machine since the inception of his appointment and since he was found to be experienced person he was declared trained Shovel Operator and was legally directed to operate on the Shovel Machine vide above mentioned order dated 12-10-82. Thus, he is entitled to be posted in the said capacity with effect from 12-10-1986 and is also entitled to the wages of the said Grade.

5. It has also been averred that several persons were employed directly as Shovel Operators, Grade I Group A by the management but the workman has been promoted on 17-11-83 as Shovel Operator, Grade I, Cat. A along with S/Shri Khetri and M. P. Bhomik. Even otherwise also on the principle of equal wages for equal work he is entitled to the wages of Shovel Operator Gr. I Cat. A with all consequential benefits and costs of the proceedings.

6. Management says that the reference is bad in law. It was belated and raised after the expiry of five years. It is not an industrial dispute. The Central Government has acted mechanically and the reference deserves to be rejected on these counts alone.

7. Shri Om Prakash had applied for Dozer Operator and he was appointed as such. The promotion to Shovel Operator Gr. I is decided by the D.P.C. on consideration of various aspects including experience, qualifications, necessity etc. He can only be promoted as Shovel Operator after giving one year's service in the Company. Trainees in other department cannot be accepted for consideration.

8. The Selection Committee of the Gevra Project considered the case of Shri Om Prakash and others and vide letter dated 12/13-11-82 Om Prakash was appointed as Shovel Operator (Trainee). It was specifically stated in the said order that he will be as Trainee for a period of one year from the date of joining as Shovel Operator (Trainee) and for that period his pay shall remain the same as that of the Dozer Operator. Shri Om Prakash had accepted the said offer of appointment and the terms and conditions given therein. It is on completion of the training that as per order Shri Om Prakash was promoted as Shovel Operator with effect from 17-11-1983.

9. Promotion is purely a managerial function and has to be made in accordance with the terms and conditions, administrative necessity and various other factors. His case has been rightly considered for promotion in accordance with rules. The workman could not have raised the dispute. He has no right to be promoted as Shovel Operator from 12-10-82. Two other employees Shri Khetri and M. P. Bhomik who were appointed with Shri Om Prakash were also given promotion on the same date. Thus giving promotion to the workman concerned from earlier date would amount to hostile discrimination and would create problems.

10. Facts have been further clarified in the rejoinder by the Union.

11. Accordingly the reference is liable to be rejected.

12. Reference was the issue in this case.

13. The workman has proved five documents Ex. W/1 to Ex. W/5 and the management proved two documents Ex. M/1 and Ex. M/2. No oral evidence was led by either party and the affidavit of the workman was withdrawn vide proceedings dated 3-8-90 (Ex. W/3 and Ex. M/2 are one and the same documents).

14. I have already pointed out above that the management has not denied this fact that from the initial stage of the appointment the workman concerned was working as Shovel Operator. Management has also not denied that the workman was an experienced hand and that at that time new shovels were introduced in the area.

15. The certificate Ex. W/1 affirms this fact that the workman was an experienced man, Ex. W/2 which I have already referred above in the pleadings also further shows that the workman was doing the job of Shovel Operator since the inception of his appointment on 23-10-81 also he could not have received an order Ex. W/2.

16. Having admitted that the workman concerned was adequately trained for operating Shovel Machines he was by an order authorised to operate Machine with immediate effect i.e. since the issuance of the letter dated 12-10-82.

17. Thus it stands proved that the workman was working as Shovel Operator since the inception of his service and he was an experienced man.

18. Ex. W/3 is the appointment letter according to which the workman was appointed as Shovel Operator Grade I Cat. A with effect from 17-11-83. It is again to be noted that as per statement of the management (Para 5) though he was appointed as Shovel Operator (Trainee) vide letter dated 12/13-11-82 (Ex. M/1) he was appointed as a fullfledged Shovel Operator with effect from 17-11-83 as per Ex. W/3. Rest of the documents are not material for consideration.

19. Ex. M/1 is the letter appointing him as Trainee Shovel Operator vide office order dated 12/13-11-82 and confirms the pleading of the management given above.

20. Ex. M/2 is the letter of the management dated 16/17 May 1985 according to which Shri Om Prakash was promoted as Shovel Operator Grade I Group A with effect from 17-11-83. It was expressed that his claim for promotion for the said post with effect from 12-10-82 does not hold good.

21. The following pertinent questions arise creating doubt on the conduct of the management —

- (a) The workman was an experienced one as per Ex. W/1 and was accepted as adequately trained for operating shovel machine and was authorised to operate the machine with effect from 12-10-82.
- (b) It has not been challenged by the management that on 21-5-83 Shri B. P. Baren and Shri N. K. Tiwari were directly appointed as Shovel Operators Grade I Group A.

22. The conduct of the management becomes suspicious and question of putting him on probation and training does not arise. There have been direct appointees. He was a trained Shovel Operator and was legally authorised to operate the Shovel Machine with effect from 12-10-82. I have already pointed out that since the inception of his service he has been operating the Shovel. No law has been shown to me as to what could prevent them and what were the distinguishing features which on one hand permitted the management to appoint Shri B. P. Baren and Shri N. K. Tiwari directly as Shovel Operators Grade I, Gr. A while a trained man who was authorised accepted as a trained man and was rightly asked to operate on Shovel Machine since 12-10-82 was to undergo training and to wait until 17-11-83 to be promoted as regular Shovel Operator and to get wages of the said Grade. In the disguise of the alleged legal proposition which has not been placed before me.

22. Accordingly I hold that the claim of the workman to be promoted/re-designated as Shovel Operator, Gr. I, is

Group A from 12-10-82 with the grade of the post is reasonable and he is entitled to all the benefits of that post with all back wages seniority and consequential benefits with Rs. 1000 costs of the proceedings.

23. The workman has already pointed out that if he had raised the dispute earlier he would have been deprived of the service and his fear cannot be said to be unjustified. Thus it cannot be said that that he raised the dispute highly belatedly of this dispute is not tenable or the Government was not competent to refer the dispute.

24. Reference is accordingly answered as follows :—

The claim of Shri Om Prakash Dozer Operator that he should be re designated as Shovel Operator Grade I from October 1982 with the grade of that post is justified. He is entitled to all the reliefs as mentioned in para 22 above with Rs. 1000 as costs of the proceedings.

AWARD

By Order No. L-26011/3/88-D.III (B), dated, the 18th August, 1988, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Keeping in view the absence of specific provisions relating to superannuation/retirement age in the certified Standing Orders, whether the action of the management of Meghahatuburu Iron Ore Project/Mines of Bokaro Steel Plant in retiring/Superannuating S/Shri M. H. Khan, Rameshwar Kudada and Ujagar Singh on attaining the age of 58 years is justified? If not, to what relief these workmen are entitled?”

2. The case of Steel Authority of India Ltd., Bokaro Steel Plant, Meghahatuburu Iron Ore Mine, as disclosed in the written statement, details apart, is as follows :

The present industrial dispute is bed in law and on facts. Meghahatuburu Iron Ore Mine is now a captive mine of Bokaro Steel Plant, a unit of Steel Authority of India Ltd. which is a Government company registered under the Companies Act, 1956, since 1-5-1978 when the Public Sector Iron and Steel (Restructuring) and Miscellaneous provisions Act, 1978 came into force. Since 1-5-1978 when the aforesaid Act came into force Meghahatuburu Iron Ore Mine is being controlled and administered by the management of Bokaro Steel Plant. When the certification of Standing Orders of Meghahatuburu Iron Ore Project was done on 10-6-76 by the Regional Labour Commissioner(C), Dhanbad, under the provisions of Industrial Employment (Standing Orders) Act 1946, the age of retirement or superannuation was not included in the schedule of that Act. It was subsequently added after certified Standing Orders of Meghahatuburu Iron Ore Project came into operation. The provisions regarding the age of retirement has been made in the Model Standing Orders subsequent to the certification of Standing Orders of Meghahatuburu Iron Ore Project and therefore, the question of applicability of the provisions of Model Standing Order does not arise. M.H. Khan, one of the concerned workmen, was governed by the Service Regulations of the Company i.e. N.M.D.C. and as per Service Regulation of N.M.D.C. no person shall ordinarily be retained in the service of the company beyond the age of 58 years. After the enactment of Public Sector Iron and Steel (Restructuring) and Miscellaneous Provisions Act, 1978, the services of Sri Khan was integrated with B.S.I. by an agreement dated 6-9-79. The Service Rules of B.S.I. provides

that the employees shall retire from service of the company on reaching the age of 58 years. Although in the offer of appointment of S/Shri Rameshwar Kadda and Ujagar Singh there is no explicit clause about the age of superannuation, clause 5 of the offer of appointment stipulates as follows :

"For the purpose of conduct, service and disciplinary control as well as in all other matters, you will be governed by the Model Standing Orders till replaced by the Certified Standing Orders. In respect of items not covered by the Model Standing Orders, you will be governed by the Rules and Regulations of the Corporation in force from time to time."

In view of these facts and provisions, the management is justified in retiring the workmen from service on completion of the age of 58 years, as the practice and usage has been invogue. In B.S.L. and other units of SAIL the age of superannuation is 58 years. The management by circular dated 8-8-80 notified that the retirement of the employee would take effect from the afternoon of the last day of the month in which he employee concerned attained the age of superannuation i.e. 58 years. The retirement age of the workmen in all the units of SAIL is 58 years and therefore the retirement of workmen at the age of 60 years will create problems for industrial relation in other units of SAIL. The retirement age of workmen working in private sector has got no relevancy to retirement age of the workmen working in Public Sector company. The concerned workmen have been retired after training the age of superannuation i.e. 58 years as per terms and conditions of the company applicable to them. The sponsoring union filed a Writ petition being C.W.J.C. No. 361/88 (R) in the Ranchi Bench of Patna High Court for declaration that in view of the provisions made in the Model Standing Orders, the age of retirement should be 60 years. However, in view of the amendment in the said Act in 1984, the Writ petition was not pressed and by order dated 2-2-89 the same was dismissed as not pressed. In the circumstances, the management has prayed that its action is retiring the concerned workmen on their completion of age of 58 years be held to be justified.

3. The case of the sponsoring union, N.M.D.C. Mines Workers' Union, as appearing in the written statement, briefly stated, is as follows :

In 1974 Meghahatuburu Iron Ore Project/Mine (hereinafter called MIOP for brevity), owned by National Mineral Development Corporation Ltd., started functioning. In terms of Public Sector Iron and Steel Companies (Restructuring) and Miscellaneous Provisions Act, 1978, it was transferred to Steel Authority of India Ltd. having its Registered office at New Delhi as its captive Iron Ore Mine to supply iron ore to the Company's Steel Plants at Bokaro Steel City and Durgapur, with effect from 1-5-1978. Sometime before 1978 the existing Certified Standing Orders of Meghahatuburu Iron Ore Project was certified by the Regional Labour Commissioner (Central), Dhanbad under the provisions of the Industrial Employment (Standing Orders) Act, 1946. The said Act contained the provision for certifying Standing Orders on matters stated in the schedule of the Act. In the contract of appointment of service in M.I.O.P. there was no condition provided in the appointment letters of the concerned workmen, all of whom were workmen of M.I.O.P. in different designations, such as, Cook, Dumper Operator Rigger for the retirement age. Even after the transfer of M.I.O.P.—In Steel Authority of India Ltd. (hereinafter referred SAIL for brevity) with effect from 1-5-78 by virtue of the provision of the Public Sector Iron and Steel Companies (Restructuring) and Miscellaneous Provisions Act, 1978, the certified Standing Orders has continued to remain in unamended up till now and the same is still in force under the Public Sector Iron and Steel Companies (Restructuring) and Miscellaneous Provisions Act, 1978. The retiring age of workmen in all units of Iron Ore Mining Industry in Singhbhum district, namely, Chiriva Iron Ore Mine and Gua Iron Ore Mine of Indian

Iron and Steel Co. Ltd. a subsidiary of SAIL, Noamundi Iron Ore Mine of Tata Iron and Steel Co. Ltd. at Noamundi and in Rajanka Lime Stone Mine of Associated Cement Companies Ltd. at Jhinkpani in the district of Singhbhum is 60 years. In Iron and Steel Industry of Durgapur Steel Plant, Burnpur Steel Plant and Sakchi Steel Plant (Jamshedpur) of Tata Iron and Steel Company Ltd., the retiring age of the workmen is on completion of 60 years of age. The workmen of M.I.O.P. have adopted the Memorandum of Agreement arrived at in New Delhi for Steel Industry in Joint Meeting of employers and representatives of workmen of Steel Industry by settlement, dated 6-9-79 and 30-6-83 arrived at between the management of M.I.O.P. and their workmen under the provisions of Section 12(3) of the Industrial Disputes Act, 1947 wherein it has been specifically provided that retiring age of workmen will be standardised by agreement with the management but even after agreement with the management, but even after ten years from now, the provision of standardising the retirement age of the workmen and other matters connected with the conditions of service of the workmen, have not been implemented by the management of M.I.O.P. The union demanded of the management for standardising the age of retirement of the concerned on completion of 60 years of age, but the management did not pay any heed to and so the present industrial dispute has arisen. In the circumstances, the union has prayed that the retirement age of the concerned employees be determined on the completion of 60 years of age.

4. In rejoinder to the written statement of the management, the union has stated that the written statement submitted by Sri S. N. Uphadhyay, Addl. Chief Personnel Manager (M&Q) posted at Bokaro Steel Plant, Bokaro Steel City, Dhanbad is bad, improper and not maintainable. Meghahatuburu Iron Ore Project Mine (shortly M.I.O.P.) is a Public Sector Company incorporated under the Companies Act, 1956. Bokaro Steel Plant cannot be the owner of M.I.O.P. The M.I.O.P. is under the control, supervision and administration of Shri N. N. Singh, Assistant General Manager (Mines and Quarries) and prior to him under a Deputy General Manager (Iron) at and P.O. Meghahatuburu District Singhbhum. The members of Board of Director or the Chairman or the Managing Director posted at Bokaro Steel City are only to give direction to the several iron and steel factories at Bokaro Steel City, Flux Mines at Bhawanathpur and Tulsi Damar, Flux Mines at Kuteshwar and several other units of SAIL under his control. The existing service conditions as provided in the Certified Standing Orders are statutory service conditions of the concerned workmen and all other workmen and the same cannot be altered unless and until the same are duly modified under the provisions of Industrial Employment (Standing Orders) Act, 1946. Model Standing Orders cannot over-rule the provisions of the Certified Standing Orders. Under the terms of tripartite settlement arrived at with recognised union on 6-9-79 and 30-6-83 the Memorandum of Agreement dated 19-6-79 and 25-5-83 of the National Joint Consultative Committee for the Steel Industry were adopted. The management agreed to standardise the retirement age existing in different sections of Steel Industry. In most of the Iron Ore Mines except one in Singhbhum district the retiring age is 60 years. Since the industrial dispute was referred to this Tribunal the union did not press his Writ application before Hon'ble High Court.

5. The management, in order to justify its action, has examined one witness, namely, M.V.-I S. K. Shukla, now posted as Junior Manager (Personnel) in Meghahatuburu Iron Ore Project/Mine and laid in evidence a mass of documents which have been marked Exts. M-1 to M-7.

On the other hand, the union has not adduced any oral evidence, but laid in evidence some documents which have been marked Exts. W-1 to W-4.

6. The pleadings of the parties arrayed disclose that Meghahatuburu Iron Ore Project/Mine (hereinafter referred to as M.I.O.P. for brevity), earlier owned by National Mineral Development Corporation (hereinafter referred to as NMDC for brevity) started functioning at Maghahatu-

buru in the district of Singhbhum (Bihar) in 1974. In terms of the provision of Section 5 of Public Sector Iron and Steel Companies (Restructuring) and Miscellaneous Provisions Act, 1978 (Ext. M-3), the said project was transferred to and vest in the integral company i.e. Steel Authority of India Ltd. a company formed and registered under the Companies' Act having its registered office at New Delhi (hereinafter referred to as SAIL for brevity) with effect from the appointed day i.e. 1-5-78.

The management has contended that M.I.O.P. is a new captive mine of Bokaro Steel Plant, a unit of SAIL and that the said mine is being controlled and administered by the management of Bokaro Steel Plant with effect from 1-5-1978. The sponsoring union has contended that M.I.O.P. is a captive mine of SAIL and supply iron ore to Steel Plant at Bokaro Steel City and Durgapur belonging to SAIL. In any view of the matter, the fact is that M.I.O.P. is a captive mine which provides supply of iron ore to Steel Plant at Bokaro Steel City and Durgapur belonging to SAIL.

7. As I have stated in the foregoing paragraph that M.I.O.P. earlier owned by N.M.D.C. started functioning in 1974; N.M.D.C. had Service Regulation which was applicable to all its employees. This Service Regulation Vol-I has been marked as Ext. M-2 in this case. It appears that Standing Order for M.I.O.P. under the control of N.M.D.C. was certified by the Regional Labour Commissioner (C), Dhanbad, as per the provisions of the Industrial Employment (Standing Orders) Act, 1946 on 10-6-1976 (Ext. W-1). At the time when this Certified Standing Orders came into force, the age of superannuation was not included as the matter to be provided in the Certified Standing Orders. That being so, the matter relating to the age of superannuation of the workmen of M.I.O.P. was not covered by this Certified Standing Orders which was certified on 10-6-1976. Model Standing Orders in respect of Industrial Employment not being Industrial Employment in Coal Mines also did not envisage provision for age of retirement or superannuation at the relevant time. Hence, the position boils down to this is that the employees of M.I.O.P. being a unit of N.M.D.C. were governed by the Service Regulation of N.M.D.C. which was later replaced by the Certified Standing Orders for M.I.O.P. with effect from 10-6-1976. But, as I have pointed out earlier, there was no provision in the Certified Standing Orders for superannuation age of the employees of M.I.O.P. Since there is no such provision in the Certified Standing Order, the superannuation age as underlined in Service Regulation remained in force as before. But in the meantime Model Standing Orders of additional items applicable to all industries came into force with effect from 17-1-1983. There is a specific provision in this Standing Orders for the age of retirement which is gleaned hereinbelow :

**"Clause 3—Age of retirement—**

The age of retirement or superannuation of a workman shall be as may be agreed upon between the employer and the workman under an agreement or as specified in a settlement or award which is binding on both the workman and the employer. Where there is no such agreed age, retirement or superannuation shall be on completion of 60 years of age by the workman."

Section 12(a) of the Industrial Employment (Standing Orders) Act, 1946 which came into force on 23-12-63 envisages that Model Standing Orders shall be deemed to be adopted in an Industrial Employment till the Standing Orders as certified under the said Act come into operation. Hence, the provision of age of retirement as envisaged in the Model Standing Orders or additional items applicable to all industries came into force. This provision specifically underlines that the age of retirement or superannuation of a workman shall be as may be agreed upon between the employer and the workman under an agreement or specified in a settlement or award and where there is no such agreed age, retirement or superannuation shall be on completion of 60 years of age by the workman. It remains to be seen whether there was such retirement or superannuation age as agreed upon between the employer and the workman involved in this case.

8. Meanwhile, after SAIL came into being, some agreements were arrived at between the management of SAIL and workmen of Steel Industry. But these agreements do not provide for any age of superannuation; these agreements provide that retirement age of workman shall be standardised by agreement between the management and the workman. The union has complained in its written statement that even after the lapse of ten years after such agreements the management of SAIL has failed to standardise the age of superannuation of its workmen by agreement with the workmen or their union.

9. The issue of determination of age of superannuation by agreement appears to be a live issue since as per the statement in the written statement of the sponsoring union in most of the iron ore mines owned by M/s. Indian Iron and Steel Co. Ltd. a subsidiary of SAIL and M/s. TISCO the age of superannuation of workman is on completion of 60 years of age. Hence, it is desirable that the management of SAIL should make it a point to standardise the age of superannuation of its workmen working in different iron ore mines as per the agreement already reached with the workmen.

10. Anyhow, in the present case the action of the management in retiring/superannuating S/Shri M. H. Khan, Rameshwar Kudada and Ujagar Singh on their attaining the age of 58 years is in question.

It appears from the testimony of MW-1 S. K. Shukla, now holding the post of Junior Manager (Personnel) in Meghahatuburu Iron Ore Project/Mine that M. H. Khan was originally appointed as Peon in Donimalai Iron Ore Mine situate in the State of Karnataka in 1967 and subsequently he was selected as Cook-cum-Bearer in the same mine in the year 1969. In the year 1974 he was transferred to M.I.O.P. as Cook-cum-bearer. It is worthwhile to point out here that Donimalai Iron Ore Mine was earlier owned by N.M.D.C. The management has provided a copy of letter selecting him for appointment as Cook-cum-bearer in Donimalai Iron Ore Project of N.M.D.C. Clause (x) of the said letter of appointment envisages as follows :

"For the purpose of conduct, service and disciplinary control as well as in all other matters, you will be governed by the rules and regulations of the Corporation as may be in force from time to time (Ext. M-1)."

The concerned workman joined his appointment on 1-4-69 as per the offer of appointment (Ext. M-1). This being so, he joined the service of Donimalai Iron Ore Mine of N.M.D.C. accepting the terms and conditions as laid down in the letter of appointment. Clause (10) is captioned as general conditions of service in the Service Regulation of N.M.D.C. (Ext. M-2). Clause 10(17) of the same Regulation envisages as follows :

"No person shall ordinarily be retained in the service of the Corporation beyond the age of 58 years. Any extension for two years or in block of two years shall be granted under certain conditions."

By agreeing to the conditions of service as laid down in the letter of appointment the concerned workman agreed to his retirement on completion of 58 years of age. There is no evidence on record that he prayed for extension which was not considered by the management. Hence, in my view, the management has rightly retired him from service on completion of 58 years of age.

11. Now remains the case of superannuation of S/Shri Rameshwar Kudada and Ujagar Singh. It appears that by letter of appointment dated 1-10-75 Rameshwar Kudada was offered appointment as Heavy Vehicle Driver/Dumper Operator on a scale of pay and subject to the conditions as laid down in the letter of appointment (Ext. M-4). It appears that Rameshwar Kudada accepted the letter of appointment with terms and conditions laid down therein (Ext. M-4/1).

Ujagar Singh was appointed as Rigger Grade-I by letter of appointment dated 24-1-77 on a scale of pay (Ext. M-5). The letter of appointment laid down certain terms and conditions of service. Ujagar Singh accepted those terms and conditions (Ext. M-5/1). Both these appointment letters envisage as follows :

"For the purpose of conduct, service and disciplinary control as well as in all other matters, you will be governed by the Model Standing Orders till replaced by the Certified Standing Orders. In respect of items not covered by the Model Standing Orders, you will be governed by the Rules and Regulations of the Corporation in force from time to time."

12. I have already stated that there is no provision for age of superannuation either in Certified Standing Orders or in the Model Standing Orders in force at the relevant time. This being so, both of them were governed by Rules and Regulations of the Corporation as embodied in the Service Regulations (Ext. M-2). I have already stated that the Service Regulations envisage superannuation age on completion of 58 years of age unless extended. There is no evidence on record to indicate that these workmen applied for extension of service age or that the management did not consider their cases. Hence, in my view, the management was justified in superannuating them on completion of 58 years of age.

13. Now, I will decide and dispose of some preliminary objections as raised by the representative of the management and the representative of the sponsoring union.

Shri A. N. Choudhary, authorised representative of the management, has contended that the concerned workman, being superannuated employees, cannot raise the present industrial dispute. The contention of Shri Choudhary is factually incorrect for it is the sponsoring union which has raised the present industrial dispute on behalf of the concerned workman. That apart, the question of superannuation of the concerned workman is an issue in the present industrial dispute. Industrial dispute means—among other things, any dispute between the employer and the workman which is connected with the employment or non-employment or the terms of employment or the conditions of labour, of any persons. This being the position, the concerned workmen, although superannuated could have raised the dispute which they did through their union. Accordingly, I hold that the contention of Shri Choudhary has got no substance and must be over-ruled.

14. Then again, Shri Choudhary has further contended that only one party cannot make an application for reference of a dispute for adjudication. This contention has got no substance at all, for the Conciliation Officer may after an industrial dispute for adjudication where any industrial dispute exists or is apprehended. Any of the parties, employer or the workman may approach the Conciliation Officer for referring a dispute for adjudication if settlement through agency of Conciliation Officer fails.

15. Shri Choudhary has further contended that the present reference came within the mischief of res-judicata since the union canvassed its case before Ranchi Bench of Patna High Court in C.W.J.C. Ho. 361/88 (R) failed. It appears from the Ext. M-6 (Photostat copy of the certified copy of the order of the Court) that the union canvassed its case for determination of age of retirement as per provision of Model Standing Orders, but the Writ Petition was withdrawn as the figure '60' in the Model Standing Orders was amended and replaced by the figure '58' with effect from 12-9-1984. In the present case the union has not based its claim on the Model Standing Order. That being so, there is no substance in the contention of Shri Choudhary that the instant reference is hit by the principles of res-judicata.

16. Now, I will dispose of a point raised by Shri K. K. Sinha, authorised representative. He has contended that there is practically no written statement of the management in this case. He has drawn my attention to the fact that the employer in respect of Meghahatuburu Iron Ore Project/Mine of SAIL is a party in the present dispute while the written statement has been signed by one S. N. Upadhyay, Addl. Chief Personnel Manager (M&Q) for and on behalf of the SAIL, Bokaro Steel Plant of Meghahatuburu Iron Ore Mine. Now SAIL has become the owner of Meghahatuburu Iron Ore Project/Mine as per provision of the Public Sector Iron and Steel Companies (Restructuring) and Miscellaneous Provisions Act, 1978. Hence, although the SAIL has not been impleaded, the written statement submitted on its behalf in my view, is competent. So, I hold that the written statement submitted on behalf of SAIL, Bokaro Steel Plant and Meghahatuburu Iron Ore Project/Mine by S. N.

Upadhyaya, Addl. Chief Personnel Manager (M&Q) is quite competent.

17. Considering the facts and circumstances of the case and evidence on record, I am constrained to hold that the action of the management in superannuating the concerned workmen from service on their attaining the age of 58 years is justified.

18. Accordingly, the following award is rendered—

The action of the management of Meghahatuburu Iron Ore Project/Mine of Bokaro Steel Plant despite absence of specific provision relating to superannuation/retirement age in the Certified Standing Orders, in retiring/superannuating S/Shri N. H. Khan, Rameshwar Kudada and Ujagar Singh on their attaining the age of 58 years is justified.

In the circumstances of the case, I award no costs.

Industrial Dispute No. 22 of 1988

(In the matter of the dispute for Adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947 between the workman and the Management of National Silkworm Seed Project, Bangalore and another)

BETWEEN

Smt. C. Savithri, No. 398, Edicar Naicker Line, Lawley Road, Subramaniapuram Post, Coimbatore-541040

## AND

1. The Director, National Silkworm Seed Project, Central Silk Board, 'Mysugar' Commercial Complex, II Floor, J. C. Road, Bangalore-641045.
2. The Senior Research Officer, Silkworm Steel Production Centre, 8/213, Trichy Road, Coimbatore-641045.

## REFERENCE :

Order No. L-42012/111/86-D.II (B), dated 24-3-88 of the Ministry of Labour, Government of India.

This dispute after restoration coming on for final hearing on Friday, the 19th day of July, 1991 upon perusing the reference, claim and counter statements and all other material papers on record and upon hearing the arguments of Thiru L. Krishnamurthy, Authorised representative for the workman and of Thiru S. Seshadri, Central Government Pleader appearing for the Management and this dispute having stood over till this day for consideration, this Tribunal made the following

## AWARD

This dispute between the workman and the Management of National Silkworm Seed Project, Bangalore and another arises out of a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947 by the Government of India in its Order No. L-42012/111/86-D.II (B), dated 24-3-1988 of the Ministry of Labour for adjudication of the following issue:

"Whether the action of the management of National Silkworm Seed Project, Bangalore in relation to their Silkworm Seed Production Centre, Coimbatore in terminating the service of Smt. G. Savithri workman with effect from 15-9-1984 is legal and justified? If not, to what relief the workman concerned is entitled?"

2. The allegations in the claim statement are as follows : The worker Smt. G. Savithri came to be employed by Respondent No. 2 situated at Coimbatore as a Field worker in silkworm seed production from 14-8-1975 and then as 'grainage worker' from 1-8-1982 till 15-9-1984. The officer-in-charge terminated the services of the Petitioner and three other workmen on the afternoon of 15-9-1984 orally saying that they would not be given work from 16-9-1984. The Second Respondent is a unit of the First Respondent based at Bangalore. There were 15 workmen engaged in seed production at Coimbatore Centre (i.e.) Respondent No. 2. The petitioner has been a devoted and sincere worker. Initially she was working at Seri-cultural Research Centre at Coimbatore till 30-7-1982 as Field worker. Later on she was given work from 1-8-1982 at the Seed Production Centre as grainage worker till retrenchment. The Petitioner and other co-workmen demanded higher wages and regularisation of their services. They asked the Senior Research Officer Mr. Mathai of Respondent No. 2 on 10-9-1984 to pay higher wages and regularise their services. He was assuring that after getting instructions from the Head Office at Bangalore (i.e.) Respondent No. 1, the demands would be conceded, but they were denied work and terminated from service from 16-9-1984 without any prior notice or payment of compensation in violation of legal principles. The Petitioner was pleading with Mr. Mathai to re-employ her by writing several letters and also sending a letter to Respondent No. 1 at Bangalore, but she was not reinstated. The Petitioner has been in continuous service for several years and hence denial of employment to her is illegal. She is entitled to be reinstated in service with full back wages. As conciliation proceedings failed, the Central Government has referred this dispute. She prays that an award may be passed.

3. The Respondents 1 and 2 state in their counter as follows : The Petitioner was not under the employment of the Respondent No. 2 between 14-8-1975 and 30-7-1982. She was employed as a casual worker on daily wages from 1-8-1982 only. She was not given any regular employment by following the rules of appointment and by calling for candidates from the Employment Exchange according to the normal procedure. She was being paid wages once in 15 days at the rate fixed by the Tamil Nadu Government or

its concerned officer. Other than payment of daily wages, Petitioner was not entitled to any benefit which is available to a regular worker. It is not true that the Petitioner and other co-workmen were demanding regulation of services and payment of higher wages. Being a casual labourer she was denied work when there was no work available to be done. Therefore termination of the Petitioner from service is not against law. The claim is misconceived and liable to be dismissed.

4. The points for determination in this dispute are as follows :

(i) Whether the non-employment of the Petitioner by Respondent No. 2 from 16-8-1984 is lawful and justified; and

(ii) To what relief the Petitioner is entitled ?

5. The worker Smt. Savithri was examined as WW-1. Thiru N. C. Nagarajan Upper Division Clerk working in the office of the 1st Respondent has given evidence as M.W. 1. Exs. W-1 to W-10 and M-1 to M-4 have been marked.

6. Ex. W-9, a certificate issued by Senior Research Officer of Central Seri Cultural Research and Training Institute's Research Extension Centre, Coimbatore dated 4-1-1985 states that W.W. 1 Tmt. G. Savithri was employed as a casual labourer from 14-8-1975. This Research Training and Extension Centre seems to be a unit which is different from the 2nd Respondent which is Silkworm Steel Production Centre but both these Centres also come under the same department, namely, National Silkworm Seed Project of the Central Silk Board functioning at Bangalore (i.e.) Respondent No. 1. Perhaps due to the employment of the Petitioner in a separate unit from 14-8-1975 which is not specifically mentioned in the claim statement, the Respondents have maintained that she was absorbed as a casual labourer under the 2nd Respondent only from 1-8-1982. The fact that W.W.-1 has worked as a casual labourer from 1-8-1982 to 15-9-1984, which is admitted is confirmed in Ex. W-10 Certificate issued by the 2nd Respondent. Thus the earlier service as a casual labourer under one unit and the second spell of service under the second unit (Respondent No. 2) should be clubbed together as the employment has been under the same department for the purposes of applying Section 25F of the Industrial Disputes Act and other provisions which may be attracted.

7. That the Petitioner was engaged only as a casual labourer is clearly proved both by the certificates Exs. W-9 and W-10 and the applications marked as Exs. W-3 and W-5 by the Petitioner praying for re-employment after her termination on 16-9-1984. Casual employment is different from regular or permanent employment. For a casual labour conditions of employment are generally not prescribed and wages paid are on day-to-day basis and whenever they do not do the work they lose wages. The work is given when it is available at the option of the employer and at wage rate fixed by the employer or by an officer of the Government. For the petitioner and her co-workmen, the Director of Sericulture, Salem has fixed the wages at Rs. 8 (for adult) under Ex. M-1 order. In what is called muster or nominal roll of casual labourers Ex. M-2, the name of the Petitioner and other casual workers have been written and the amount of wages paid for 15 days is entered against the name of each worker in Ex. M-2. M.W. 1 deposed that for regular workers, the office maintains service rolls and for casual workers, they maintain nominal rolls. M.W. 1 has produced Ex. M-4, Register of Employment on a monthly basis maintained under Tamil Nadu Shops and Establishments Act. This Register reveals that payment of wages to the Petitioner and other casual workers was paid once in 15 days or 16 days that is, twice in a month and that the amount varies according to the number of days actually worked by individual worker. Ex. M-2, the nominal roll which relates to the first half of September, 1984 contains the name of the Petitioner. But Ex. M-3 Nominal Roll which relates to the second fortnight from 16-9-1984 omits the name of W.W. 1 because she was not given work from 16-9-1984.

8. The Respondent's contention is that they can terminate a casual worker's service without observing the conditions of

25F of the Industrial Disputes Act. About the jurisdiction of denial of work, M.W. 1's evidence is that for want of casual work, the Petitioner and a few other workmen were turned away and denied work with effect from 16-9-1984. It is obvious that in respect of casual, occasional and intermittent work depending upon the season or the need, the employer is at liberty to say that the work is not actually available to be given to the intending casual worker. I accept the case of the Respondents that for want of available work (i.e.) fall in production of silkworm seeds, the Petitioner was not offered any work from 16-9-1984 and that the same is justified. However, even a casual worker cannot be denied work illegally (i.e.) by flouting Section 25F of the Industrial Disputes Act if the worker has put in work or 240 days in a year. In this case, the Petitioner has actually worked in two different units of the Respondent from 14-8-1975 onwards. Hence she is entitled to one month's pay and compensation worked out according to Section 25F of the Industrial Disputes Act. Being a casual workers, it is not possible for the Tribunal to direct the Respondent to reinstate the Petitioner-worker in the absence of work available.

9. I therefore find that the non-employment of the Petitioner, a casual worker due to non-availability of work is justified and that the Respondent should have paid one month's pay and compensation when refusing employment from 16-8-1984, by enforcing Section 25-F of the Industrial Disputes Act. I answer the points accordingly.

10. In the result, an award is passed directing the Respondent to pay one month's pay and retrenchment compensation as on 16-8-1984 with interest at 9% till the date of payment, calculated from 16-8-1984 under Section 25-F of the Industrial Disputes Act to the Petitioner, failing which the Petitioner can file a claim petition under section 33-C of the Industrial Disputes Act.

Dated, this 29th day of July, 1991.

#### AWARD

Dated, October 31st, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L741012/45/86-D.II(B) dated 24th August, 1987, for adjudication of the following dispute:

"Whether the action of the management of Central Railway in terminating the services of Shri Haridas Tiwari S/o Shri Jaiaram Tiwari, Ex. employee of Central Railway w.e.f. 10-2-1986 is justified? If not, what relief the concerned workman is entitled to?"

2. Facts leading to this case are that the workman concerned was appointed as Casual Khalasi in Signal Inspector, Central Railway, Katni on 26-12-1986. As per Ex. W/1 which is an undisputed document the workman worked as follows in the capacity shown against it, hence I need not go into the pleadings of this aspect of the case. It is also not dispute

that the workman had lost his leg during his service. He is said to have been paid the compensation and thereafter given alternative employment.

(1) 26-12-80 to 18-3-81 Under Signal Inspector Katni.  
20-4-81 to 23-7-81.

23-9-85 to 24-9-85  
14-10-85, 24-10-85 to 26-10-85.

Workman worked under Loco Foreman on dates at Sl. No. 3 above.

3. Workman says that due to his satisfactory services for more than 240 days as Casual Labour in continuous employment with the management his services could not be terminated by the management without following the provisions of Section 25-F of the I.D. Act. Workman further says that his services were terminated with effect from 26-10-1985.

4. Management says that he never worked even for more than 120 days continuous service in a year. He has only worked as Casual Khalasi on dailyrate basis from 28-10-83 to 3-8-85 in broken periods. He remain absent from duty unauthorisedly and wilfully from 10-2-86. Since there is no termination of the service the question of applying the provisions of Section 25-F of the I.D. Act does not arise. The reference is liable to be rejected.

5. Reference was the issue in this case.

6. It is to be pertinently noted that according to the Schedule to the reference order the services of the workman were terminated with effect from 10-2-86. Reference has proceeded with the assumption that the services of the workman were terminated with effect from 10-2-1986. This Tribunal cannot go behind the order of reference to hold that it was not the termination and voluntary absenteeism of the work-

man concerned. In this regard I will like to refer certain judgments of the High Court and Supreme Court:—

1. M.P. No. 3958/88 Azad Koyla Shramik Sabha Vs. W.C.L.

2. Pottery Mazdoor Panchayat Vs. Perfect Pottery Co. (AIR 1979 SC p. 1356).

3. Hoabhoof Ganamomb Vs. Industrial Tribunal Bhubaneswar (AIR 1964 SC 1746).

4. M/s. Firestone Tyre & Rubber Co. of India Ltd. Vs. Firestone Tyre Employees Union (AIR 1981 SC 1626).

7. Even assuming that the workman was unauthorisedly absent from duty, the document Ex. W/1 does not disclose his attendance after 28-10-85. If the workman had worked upto 10-2-86 as also alleged by the management, and since thereafter he had absented, his presence would have been recorded accordingly in Ex. W/1. Thus though it is not a part of reference that the services of the workman were terminated with effect from 26-10-85 as alleged by the workman in his pleadings the fact remains that he has not worked since thereafter as is established from Ex. W/1 also.

8. Thus this fact is clear that the workman did not wilfully remained absent and his services were certainly terminated and I have nothing to doubt the testimony of Haridas Tiwari (W.W. 1) in this regard and disbelieve the version of M.W. 1, Durga Singh Patel. Durga Singh Patel had brought the register of attendance but the same has not been produced. He admits in para 7 of his cross-examination that Vishnu Prasad was taken in service after the alleged termination of the workman concerned. I have also gone through the other documents Ex. W/2 to Ex. W/8.

9. From the entire record it is evident that the workman had completed 240 days continuous service and even assuming that he was absent for certain days it cannot be presumed that he was not available for the work and the provisions of Section 25B(1) of the I.D. Act would be attracted. In this regard the following case is worth mentioning.

The Punjab Land Development and Reclamation Corporation Ltd. Chandigarh Vs. Presiding Officer, Labour Court, Chandigarh and Ors. (Civil Appeal Nos. 3241—48 of 1981) and few other cases simultaneously decided by five Hon'ble Judges of the Hon'ble Supreme Court on 4th May, 1990.

10. It is not disputed that the provision of Section 25-F of the I.D. Act has not been followed. On the other hand as per leading (para 1 of the management) as per Rule 4 a casual employee completes more than 120 days continuous service he is entitled for monthly rate of pay. He is certainly entitled to the same. That apart, his termination is void ab initio and he is entitled to reinstatement with effect from 10-2-1986 with continuity of service and all back wages as also consequential benefits arising therefrom. No order as to costs. Reference is answered accordingly.

## AWARD (PART-II)

6. By my order dated 20-5-1991, which shall now be read as Part I of this Award, I directed the Central Government in the Ministry of Defence to be impleaded as a party to this Reference and issued summons to the Secretary to the Government of India in the aforesaid Ministry to appear before the Tribunal and file their written statement on 15-7-1991. The Central Government did not put in their appearance on that date or on 30-10-91 for which date fresh notice was issued to them. The Cantonment Board also remained absent on that day. Eventually I closed the matter for Award after hearing Shri Kulkarni, Advocate for the Workmen. I regret I could not avail myself of legal assistance from the other two parties.

7. Shri Kulkarni reiterated his earlier submission that the National Tribunal had given directions to individual Cantonment Boards as such, to frame Rules on promotion of Workmen and that the Central Government does not come into the picture at all. This question has to be decided vis-à-vis the contention of the Board that under section 280(c) of the Cantonment Boards Act, as in force at the time of the National Tribunal's Award or even after its subsequent amendment, the power vested exclusively in the Central Government and as such the Tribunal's direction must be treated as addressed to the Government only. After having given my anxious thought to the question, I find myself unable to endorse Shri Kulkarni's submission that the Board may be directed to frame the necessary Rules. These are my reasons in brief.

8. To appreciate the context in which the National Tribunal gave the directions, it is useful to reproduce the entire para 23 of its Award:

"Issue 2 reads as follows :—

"Whether promotions be given strictly according to seniority of the workmen? If not, what should be the criteria for promotion and what should be seniority list in each category of workmen?"

There have been grievances, as indeed happens in many undertakings, concerning promotions. Some employees have felt that they have been wrongly overlooked. I am here not concerned with individual cases but with the general principle which labour claims should be applied, namely, that promotions should be given strictly according to seniority and that a seniority list should be maintained. There may be a tendency in small bodies like Cantonment Boards for the elected members to exercise pressure in favour of particular employees; thus each successive Board might have different views as to the merits and demerits of particular employ-

ees, with the result that the employees feel that they have no proper security in the matter of promotions. Whether this feature has affected promotions in the past or not it is difficult to say. But this is not a subject which should be left in a state of uncertainty; for it can become a source of grievance. On this issue I propose to give the same directions which have been given by Tribunals in the past, namely, that whenever a new post is created or a vacancy has to be filled, all things being equal, the senior most shall be entitled to be appointed thereto. If the senior-most has been overlooked, he may in writing ask for reasons as to why he has not been promoted, and the Cantonment Board shall state the reasons for his own personal use, provided that it does not expose the Board or the officer giving the reasons to any civil or criminal proceedings. Generally an employee is better advised not to ask for reasons for he can hope that his promotion will come in time. As regards the preparation of a seniority list, that is not necessary. Seniority will count according to an employee's length of service in the line of promotion; and the term 'line of promotion' connotes the steps which naturally lead from one grade to another for instance a clerk may seek promotion in the line leading to the Superintendent or to the tax Superintendent or Revenue Superintendent. In connection with this issue and having regard to the complaints voiced, I direct that rules should be framed for the recruitment to the various categories of employees of each Board which should specify the minimum qualifications for each post age limit, mode of recruitment (by promotion, direct recruitment or transfer), the field of recruitment, and the authority competent to make the appointment. Any person aggrieved by a decision reached by the application of such rules should be given an appeal to higher authority."

9. Reading the text of Issue No. 2 before the National Tribunal and the first part of para 23 *ibid*, it is clear that the main grievance of the Workmen was that the Boards were not acting fairly in the matter of promotions, by ignoring seniority, and that the Tribunal gave specific directions on most of the aspects touching seniority. Eventually "in connection with this issue and having regard to the complaints voiced", the Tribunal directed framing of recruitment Rules for various categories of employees of each Cantonment Board. This paragraph does not expressly mention the Authority—Central Government or the Boards—who were expected to frame the Rules. Because the Central Government was not a party to that Reference, the impression one gets on the first flush is that the direction was addressed to the various Cantonment Boards. But it will have to be presumed that the Tribunal was knowing that under Section 280(c) of the Cantonments Act, it was the Central Government who alone had the power to make Rules on the subject concerned. Indeed there is express reference to S. 280 by the Tribunal in para 2 of its Award. This makes me pause to consider whether there is any provision in the Act, empowering the Board to make Rules/Regulations/Bye-laws on recruitment of its employees. I have gone through the entire Act, S. 282 enumerates the items on which a Board may make bye-laws. It does not contain any item authorising a Board to frame bye-laws on recruitment of its employees. Indeed, under sec. 284, bye-laws on permissible items must also be confirmed by the Central Government, before they become operative. To cut the long short, the Act does not contain any provision authorising a Board to frame Rules/Bye-laws on the subject of Recruitment of its employees. On the other hand this power is expressly vested in the Central Government under section 280(c), in the form it obtains today or did in 1960, when the National Tribunal made its Award. In view of these reasons, I must hold that the National Tribunal had addressed the relevant direction to the Central Government only.

10. I appreciate that the Central Government was not a party in the previous reference. But it is very much a party to the present reference. No useful purpose will be served, by issuing directions to the Board now, particularly when it is obvious that it does not have the necessary power under Law. I would therefore issue the direction to the Central Government to frame Rules on recruitment of different categories of workmen working under the Board under Section 280(c) of the Cantonment Boards Act. The inaction on the

part of the Board and the Government in this regard is obviously not justified.

11. At the arguments stage, the workmen did not press their submissions for declaring the inaction on the part of the Board as an unfair labour practice or for declaring void all promotions made since 1960, in which year the National Tribunal made the Award. I make the following Award.

12. The action of the Cantonment Board, Pune, in promoting clerical staff without getting the Rules duly framed by the Central Government under section 280(c) of the Cantonment Boards Act, is declared as unjustified. The Central Government shall now frame Rules under section 280(c) of the aforesaid Act for recruitment of Workmen under the Board and complete this work by 31st December, 1992. The Board shall pay Rs. 1000 as token costs to the Workmen. The Board and the Central Government shall bear their costs as incurred.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 1, BOMBAY

(Presiding Officer : Justice S. N. Khatri)

#### PARTIES :

Employers in relation to the Management of Cantonment Board, Pune,

AND

Their Workmen.

#### APPEARANCES :

For the Management—Shri Jadhav.

For the Workmen—Shri A. N. Kulkarni, Chief Revenue Superintendent (Retd.) Pune Cantonment Board.

INDUSTRY : Cantonment Board. STATE : Maharashtra.  
Bombay, dated the 20th May, 1991

#### ORDER

The Central Government has referred the following industrial dispute to this Tribunal for adjudication under section 10 of the Industrial Disputes Act, 1947.

“Whether the action of the Management of Cantt. Board, Pune is not framing the rules for promotion as per direction of National Industrial Tribunal in its award notified while S.O. No. 578 in Gazette of India published on 4th March, 1960 in reference No. (NT) 2 of 1988 and still promoting clerical staff is justified? If not, to what relief the Workman is entitled to?”

2. In 1958 several issues relating to the service conditions of the Workmen serving under 58 Cantonment Board were referred to Shri F. Jeejeebhoy, Presiding Officer, National Industrial Tribunal, Bombay, for adjudication Issue No. 2 was, “Whether promotions be given directly according to seniority of Workman? If not what should be the criterion for promotion and what should be seniority list in each category of Workmen?” The Tribunal made its Award which was published in the Gazette of India of 4th March, 1960. It has dealt with the aforesaid question in para 23 of its Award, and given the following direction :

.....having regard to the complaints voiced, I direct that rules should be framed for the recruitment to the various categories of employees of each Board, which should specify the minimum qualifications for each post, age limit, mode of recruitment (by promotion, direct recruitment or transfer), the field of recruitment, and the authority

competent to make the appointment. Any person aggrieved by a decision reached by the application of such rules should be given an appeal to higher authorities.”

3. The workmen of the Pune Cantonment Board now make the grievance in their statement of claim that the Board has not carried out this direction at all, even after 30 good years have passed by. They press for a direction to the Board to frame the necessary rules. They also plead that the promotions made during the last 10 years be treated as void and the failure of the Board comply to with the direction of the National Tribunal be declared as an unfair labour practice under section 2(ra) of the Industrial Disputes Act.

4. The main contention taken by the Board in their written statement is that it is the power of the Central Government under section 280 of the Cantonments Act 1924 to frame the necessary rules and the directions were addressed by the National Tribunal to the Government and not the Board. According to the Board it will be patently illegal for it to frame rules on the subject, in absence of any authority to do so under the Law.

5. Here before me, the parties have indeed closed their cases without leading any oral evidence. Both sides filed memoranda of their legal submissions. I have also heard Shri Jadhav for the Board and Shri Kulkarni for the Workmen. The Boards have admittedly not framed any rules since the Award was passed in 1960. Section 280(2)(c) of the Cantonments Act empowers the Central Government to frame rules regarding the tenure of office, salaries and allowances, provident funds, pensions, gratuities, leave of absence and other conditions of service of servants of Boards”. I am aware that sub-clause (c) was introduced in its present form in 1983 only. Before that the old clause empowered the Central Government to make rules for “appointment, control, suspension, removal, dismissal and punishment of servants of Boards”. It was in this form that the provision was obtaining in 1960 when the Tribunal made its Award. Although I would like to refrain myself from expressing my final views at this stage on the stand of the Board that the Central Government is the only appropriate authority to frame the Rules on the question of promotion, the submission raises an important question in which the Workmen should be as much interested as the Board and the Central Government. There is no point in perpetuating the uncertainty further, by leaving the matter at large. Interests of justice and industrial harmony will be ideally served, if the Central Government are also impleaded to this reference and final orders are made in presence of all parties after hearing them. Hence I direct that a summons be issued to the Central Government in the Department of Defence to file their written statement in the matter by 15th July, 1991. A copy of this Order and statement of claim will also sent alongwith the summons. The matter is adjourned to 15th July, 1991 for further progress.

#### AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act, 1947 has referred the following disputes to this Tribunal for adjudication vide their orders referred to above.

Reference No. 214 of 1987

"Whether the action of the management of Tapin North Colliery of M/s. C.C. Ltd., PO Tapin North, District Hazaribagh in terminating the services of Sri Shibu Yadav, Electrical Helper after putting 13 years of long service when the High Court of Patna has also quashed the investigation report of the Police is legal and justified ? If not, to what relief the concerned workman is entitled ?"

Reference No. 244 of 1987

"Whether the action of the Management of Tapin North Colliery of M/s. C.C. Ltd., PO Tapin North, Distt Hazaribagh in terminating the services of Shri Bhuneswar Sharma after 13 years of long service when the High Court of Patna has quashed the investigation report of the police is legal and justified ? If not, to what relief the workman concerned is entitled ?"

Reference No. 249 of 1987

"Whether the action of the management of Tapin North Colliery of C.C. Ltd., P.O. Tapin North Dist. Hazaribagh in terminating the services of Sri Ram Kishun Yadav, time rated worker when the High Court of Patna has quashed the investigation report of the Police is legal and justified ? If not to what relief the concerned workman is entitled ?"

Reference No. 223 of 1987

"Whether the action of the management of Tapin North Colliery of C.C. Ltd., P.O. Tapin North, Dist. Hazaribagh in terminating the services of Sri Kapildeo Sharma after 13 years long service when the High Court of Patna has quashed the investigation report of the Police is legal and justified ? If not, to what relief the concerned workman is entitled ?"

The concerned workmen are four in numbers and they are Shibu Yadav son of Babua Yadav, Electrical Helper, Bhuneswar Sharma son of Shanti Sharma, Mazdoor Cat. I, Ram Kishun Yadav son of Anun Yadav T. R. Cat. I and Kapildeo Sharma son of Shri Shiv Mandan Singh, Explosive Carter Cat. II whose cases have been referred here vide Ref. No. 214 of 1987, 244/87, 249/87 and 223 of 1987 res-

pectively. Since the references are identical in nature they have been heard analogous and this Award will dispose of all the four references.

2. The main allegation against the concerned workmen was that they secured employment in Tapin North Colliery of M/s. Central Coalfields Ltd. by impersonation. As regards Shivu Yadav it is said that he was not Shivu Yadav but Vinod Sharma son of Domani Sharma and the later was impersonating as Shibu Yadav son of Babua Yadav. As regards Bhuneswar Sharma it is said that his real name is Shri Arjun Sharma son of Dasrath Sharma and he was impersonating as Bhuneswar Sharma son of Santi Sharma. Similarly as regards Ram Kisun Yadav it is said that he is Shri Zaila Sharma son of Sidho Sharma who is impersonating as Ram Kisun Yadav. Lastly about Kapildeo Sharma it is said that his real name is Shri Tenu Sharma alias Jai Prakash Sharma son of Raghunath Sharma who is impersonating as Kapildeo Sharma son of Shiv Nandan Singh.

3. A number of complaints were received from the real workmen and accordingly after due verifications chargesheets were issued against the concerned workman vide Ext. M-1 to M-1/3 calling upon them to submit their explanation and simultaneously they were put under suspension forthwith. The explanation submitted by the concerned workmen were found not satisfactory and there was an order for domestic enquiry vide Memo. dated 13-7-85/15-7-85. Shri R. K. P. Verma, Administrative Officer Tapin South Colliery was appointed as Enquiry Officer. By the same order one Shri G. C. Gupta Senior Under Manager of the same Colliery was ordered to function as the representative of the management (Ext. M-7). The Enquiry report (Ext. M-4) was examined by the Agent Tapin North which was accepted and the management after having taken into account the gravity of the charges concluded that the concerned workmen should be dismissed from the organisation. Ext. M-6 to M-6/3 are the office orders dismissing the concerned workmen with effect from 12-3-1986.

4. The concerned workmen and the management filed their W.S. separately. Shri Shivu Yadav (Ref. No. 214 of 1987) has stated that he served the organisation for a pretty long time and he and other workmen were criminally prosecuted on the allegation of impersonation and the FIR was lodged with the Police Alamnagunge P.S. A criminal case vide Alamnagar, P.S. Case No. 1(10) 1980 was registered which was ultimately quashed by Hon'ble High Court. It is stated that the management issued chargesheet solely to victimise the concerned workman for his trade union activities. He was dismissed in a most arbitrary and whimsical manner. Accordingly it has been urged that the Award be answered in favour of the concerned workman.

5. Shri Bhuneswar Sharma, Shri Ram Kisun Yadav and Kapildeo Sharma have taken one and similar ground in their respective W.S. They have stated that before nationalisation of Collieries Tapin South Colliery was run by Receiver through managing contractors. They worked in Block No. 38 as piece rated worker. After transfer of the services of the employees of the previous owner of the Colliery M/s. C.C.L. started scrutinising the genuineness of their claims and a general publication was made inviting applications in the prescribed proforma. The concerned workmen had submitted their applications and after verifying the truth the CCL had issued appointment letter to them. It has stated that due to enmity and village politics some co-villagers in the year 1976 made complaints that the concerned workmen were impersonators. However after detailed enquiry they were allowed to continue in service by the Personnel Manager (H). The co-villagers also filed complaint before the C.J.M. Madhapura as referred to above. Since the case was false the concerned workmen preferred an application before the Hon'ble High Court and it was registered as Criminal Misc. 581/81. The Hon'ble Court quashed the entire proceeding of the case and thus it has been proved that the Award be passed in favour of the workmen holding that the action of the management of Tapin South Colliery in terminating the services of these workmen after 13 years of long service was illegal and unjustified.

6. The management also filed W.S. separately in all the four references taking about the same ground. It was stated on behalf of the management that there was no legal proposi-

tion that the employer cannot terminate the services of workmen after he has put in 13 years service. The management is not prohibited from taking action against faulty workmen even if the investigation of a Criminal Case has been quashed by the Hon'ble High Court.

7. It was stated that the Coking Coal Mines in the Country were taken over by the Central Government for management in the first instance under Presidential ordinance with effect from 17-10-71 and was subsequently nationalised with effect from 1-5-72. The Coking Coal Mines Nationalisation Act, 1972 embodied a provision that if the Coal Board finds any other Coal Mines not covered by the Act to be a coking coal mine, the provision of the Coking Coal Mine (Emergency Provision Act), 1971 shall apply to such mine. The Coal Board accordingly declared the Coal Mines in Kedia Jharkhand Coalfield as Coking Coal Mines with effect from 19-12-72 and thereafter the Central Government appointed NCDC as Custodian. The said decision of the Central Government was challenged by the Government of Bihar and the Contractors. The matter ultimately went up before the Hon'ble Supreme Court and their Lordship directed that the management of the Collieries should be handed over to NCDC.

8. The records furnished by the contractors regarding workers in Form B Register were found to be fabricated and unreliable and in some cases they did not furnish any record and as a result thereof a large number of persons started putting their claims for job resulting in law and order problem. It was assessed that the total number of the persons employed by the contractors must not be less than 6000. It was further stated that in early 1973 the mines were closed down due to labour trouble and they remained closed when NCDC as Custodian took over charge. Considering the problem a guideline for screening the claims for job was worked out as per Annexure A and about 6500 workers were entertained for employment based upon the applications filed by them in the prescribed form and appointment letters were issued. It was specifically laid down in those appointment letters that if the information given in the applications were found to be incorrect their services will be liable to be terminated. It was stated that the management from time to time got complaints that a large number of fake persons/impersonators got employment in the Collieries. The complainants were Shivu Yadav, Bhuneswar Sharma, Ram Kisun Yadav and Kapildeo Sharma who claimed themselves to be the real persons sitting idle in the village and in their places fake persons as named above are working in the Collieries.

9. On receipt of these complaints the management wrote to the B.D.O. and S.P. Madhepura to identify the photograph of the complainants and to send the verification report about their genuineness. From the verification report of the B.D.O. Alamnagar it was transpired that the concerned workmen were fake persons. The management thereafter sent two officers of the Colliery namely Shri N. K. Singh, Labour Welfare Officer and Shri A. N. Singh, Security Officer for spot enquiry. They enquired into the matter and submitted report holding the concerned workmen as impersonators. The management after having found adequate materials issued chargesheet dated 25-5-85 and after domestic enquiry they were all dismissed as said above.

10. There was already an order by this very Tribunal holding that the domestic enquiry held in this case was fair and proper and in accordance with the principles of natural justice.

11. In the circumstances of the case the main question for consideration would arise as to whether the finding recorded by the Enquiry Officer was correct and if so whether the action of the management in terminating the services of the concerned workmen after putting in 13 years of long service and specially when the Hon'ble High Court at Patna had quashed the investigation report of the Police was legal and unjustified?

12. The management before holding domestic enquiry into the charges thought it proper to get the matter verified through B.D.O. Alamnagar and P.S. Madhepura. The B.D.O. Alamnagar submitted report holding the concerned workmen impersonators in order to be more sure the management as said above also deputed two senior officers of the Colliery for spot verification. They visited Baisacola of Alamnagar the native place of the concerned workmen

where they met 12 permanent local persons in presence of the Grampanchayat Supervisor. Their statements were recorded. It was signed by them all and also countersigned by the B.D.O. Alamnagar. They had also gone to village Pakra in the district of Bhagalpur but we are concerned with the enquiry conducted at village Alamnagar for all the concerned workmen are resident of Alamnagar. It may be pertinent to note here that none of the concerned workmen were noticed about the spot enquiry. I think the fair and honest name of any enquiry specially the spot enquiry can be given when it is fairly conducted in presence of both the parties. So I find rather hold that the most vital aspect of the enquiry is missing which definitely go against the management.

13. Shri N. K. Singh and Shri A. N. Singh were examined in the domestic enquiry. They have been cross-examined to test their veracity as to whether they visited the village home of the concerned workmen. I find that on his point they have not been shaken any where. Shri N. K. Singh (MW-1) has stated that they went to Basiatolla along with Shri S. N. Singh Gram Panchayat Supervisor when they met the residents namely Shri U. K. Tewary, Suresh Shah, Shhedi Rai, Dewan Mandal, Sitaram Mondal, Ram Khelawan Mandal, Ambika Mandal, Mani Narayan Jha and Bhoja Rishideo and others. The joint statement of these persons was recorded by the Enquiry Officer during the spot enquiry and it was countersigned by the B.D.O. Alamnagar. That report was produced during the domestic enquiry. It will appear that these persons had identified the attested photographs which belong to different persons other than the concerned workmen. I find that none of them was examined as witness during the domestic enquiry where the concerned workmen had opportunity to cross-examine them. It is equally important to note that neither Gram Panchayat Supervisor nor the B.D.O. Alamnagar was examined in the domestic enquiry. This means that it was all ex parte affairs and the concerned workman had no say. Apart from that we find that the complaint as disclosed from the W.S. of the management was filed by Bindeswari Singh and others. That was alleged to have been filed by the real persons. But surprisingly enough none of these complainants were examined by the Enquiry Committee nor by the Enquiry Officer in the domestic enquiry. They had recorded the joint statement of the several persons vide Annexure V and it was countersigned by the B.D.O. and Gram Panchayat supervisor. Actually the statement should have been recorded separately as it was done in case of Suresh Ram.

14. The spot verification report will show that there were some persons in the village to speak in favour of the concerned workmen but they stated to have refused to make any statement. However the enquiry committee recorded the statement of Shri Ganesh Sharma, Shri K. B. Gupta and Shri Nandlal Sharma but they found their statement full of contradictions and not reliable. In my opinion that was not correct approach. The statement should have been sent along with the report for its correct assessment by the Enquiry Officer during the domestic enquiry and subsequently by the Court. However, we find that these statements do not form part of this record.

15. It will appear that the management had sent attested copy of the photograph of the concerned workmen to the B.D.O. Alamnagar for verification. The report discloses that the real persons had appeared before the B.D.O. and they claimed that they were the persons of the name and address. The photographs belonged to the different persons of the village. Then the photographs sent by the management was locally verified and it was asserted that the photograph belonged to different persons of the village and not of the concerned workmen. The report was accordingly submitted. The Panchayat supervisor had gone to Vaisatolla Alamnagar and there he recorded joint statement of several persons and all by looking through the photographs stated that they belonged to different persons and not the concerned workmen. Accordingly Gram Panchayat supervisor submitted report to the B.D.O. Alamnagar. Thus from the report of the B.D.O. and Gram Panchayat Supervisor it appears that the concerned workmen were imposters. The whole question is that their reports have not been legally brought on the record. A mere report unless it is legally proved cannot be made base to dismiss the workmen who have already rendered 13 years of long satisfactory service in the Colliery. In other words these two authorities should have been examined at least during the domestic enquiry.

16. Now let us see the proceeding of the domestic enquiry and its report by the Enquiry Officer. There were five witnesses on behalf of the management. 6 witnesses were also examined on behalf of the concerned workmen. The statement of the concerned workmen were also recorded. MW-1 Shri N. K. Singh and MW-2 Shri A. N. Singh before the Enquiry Officer were the members of the Enquiry Committee and it has already been dealt with that the spot verification made by them was not in accordance with the procedure and it was suffering from serious defects for the concerned workmen were not noticed for such enquiry. MW-3 Nago Singh is a Mining Sirdar. According to him the workmen namely Kapildeo Sharma, Ram Kisan Yadav, Bhuneswar Sharma and Shibu Yadav were working in the Colliery from before nationalisation but the concerned workmen were not those persons. After nationalisation these persons started working but he cannot say how they made their entry in the service. It may be mentioned that according to the W.S. all the concerned workmen were engaged in Block No. 38 of the Tapin North Colliery. This witness after nationalisation joined his duty in Block No. 38. He was not shown any identity card by any of the workmen of Block No. 38 and so naturally he cannot be in a position to say that the concerned workmen were not the real workmen working before nationalisation. Apart from that he was not knowing them before he took up his work in Block No. 38. It was U. C. Shahi, Overman who had asked him to take work from the concerned workmen. Lastly the witness stated that he cannot say about the concerned workmen before nationalisation. Again he stated that they had produced their appointment letter before the Attendance Clerk. Normally it may be presumed that appointment letter would have been issued after proper scrutiny. On the whole the evidence of the witnesses is not worth reliable.

17. MW-4 Shri Brahamdeo Singh stated only about Suresh Ram who is not the concerned workman. MW-5 Ganeswar Mandal claims to have had no occasion to work with the concerned workmen before nationalisation. He stated that he had knowledge that the concerned workmen were fake persons. Now the question arises as to why the witness did not bring it to the notice of the management when he was knowing fully well that they were imposters. This witness was not given any identity card to join after nationalisation. In this way I find that the witnesses examined on behalf of the management could not succeed in proving the fact that the concerned workmen were not working before nationalisation.

18. The statement of the concerned workmen were recorded and they were also cross-examined. They all stated that they have been working in Block 38 since summer, 1971. AW-2 Ramkisan Yadav and AW-3 Bhubaneswar Sharma have stated that prior to nationalisation they worked under Shri Janardan Tewary, Mining Sirdar. The concerned workmen also stated that they were given appointment letters after due verification. In this way these workmen asserted themselves as genuine persons and they denied assertion of the management.

19. I find that some important workmen of the colliery have deposed on behalf of the workmen. They are Shri Sheochandra Sharma, Supdt., Umesh Chandra Shahi, Under Manager, Jamuna Singh, Mining Sirdar and Deoki Nandan Sahu, Mining Sirdar. Shri Sheochandra Sharma has stated that he was working in Block No. 38 since May 1971 and the concerned workmen also came during that period and joined in the same block. He stated that they were given appointment letters after proper scrutiny. According to him these workmen are working in the same name from before nationalisation. In cross-examination he stated that he used to take attendance of the workmen including the concerned workmen. I think the witness can be in a better position to know about the concerned workmen for he was also taking down their daily attendance. Nothing has been elucidated in his cross-examination to disbelieve his credence. DW-2 has stated only about Suresh Ram.

20. DW-3 Ram Autar Mistry is a piece rated worker in the said colliery. He was working in Block No. 39 which was close to Block No. 38. The witness stated that he was knowing the concerned workmen from before nationalisation. The witness has stood the test of cross-examination. DW-4 Jamuna Singh is a Mining Sirdar since 1971. He is working in Block No. 40 which according to him is very

close to Block No. 38. He is a representative of the Union namely R.C.M.S. and claims to know most of the workers. He is seeing the concerned workmen working in colliery since 1971 and he recognised them well. DW-5 Shri Umesh Chandra Sahi was working as Overman since 1972 in Block No. 38. He also testified that the concerned workmen were working in the colliery from before nationalisation. Since this witness was working in the same block, he had every reason to know the concerned workmen. DW-6 Shri Jagdish Sharma is an explosive carrier and he is also working in Block No. 38 since 1971. He has supported the statement of other witnesses examined on behalf of the workmen. This witness stated that his attendance in Block No. 38 was taken down by Shri S. C. Sharma and this fact finds support from the evidence of Sharma himself. Virtually I have no reason to disbelieve this witness. The Enquiry Officer in his enquiry report has stated that since the AWs have continued to work for more than 11 years in the colliery it is not difficult for them to bring witness of their choice. I do not think this to be a healthy and fair comment. Most of the witnesses examined on behalf of the workmen had occasion to work together with the concerned workmen in Block No. 38 and so they were the most competent persons to speak about the genuineness of the concerned workmen. I find that nothing has been disclosed to show that these witnesses are relative or otherwise very much interested with the concerned workmen. Thus from the evidence adduced on behalf of the workmen it is rather well established that they are genuine persons working in the colliery from before nationalisation.

21. I find that the concerned workmen had produced a number of documents during the domestic enquiry just to prove their stand that they were genuine persons and not imposters as contended by the management. Here I would like to mention that it was the duty of the management and the management alone to prove that the concerned workmen were fake persons and impersonators. On the basis of my discussions made above I am constrained to hold that the management has miserably failed to prove that the concerned workmen are imposters. In the circumstances, it is not very necessary for the concerned workmen to prove their genuineness. However, they have filed a number of certificate issued by the M.J.A. Shri B. K. Singh of the concerned constituency Assessor Panchayet, Alamnagar, Adyakshya, Panchayet Parishad Alamnagar, Officer incharge, Alamnagar and several others. Apart from that they have also produced certificates/orders of the colliery whereby they were directed in the year 1977 to appear before the Enquiry Committee in the Office of the G.M. (H) with their appointment letters for verification. I find that they have also produced the certificates issued by the Personnel Officer, Hazaribagh Area directing the concerned workmen to resume their duty. These certificate were issued in the month of May, 1977. This prima facie shows that they have been working in the colliery after proper scrutiny made by the officials of the management. It is similarly true that they worked in the colliery for long 13 years and during this period their identity was never challenged.

22. I have discussed every aspect of the matter and in my opinion the concerned workmen are entitled to be reinstated in their service with full back wages on their respective post. The management on the other hand has miserably failed to prove that they were fake and imposters.

In the result, I hold that the action of the management of Tapin North Colliery of M/s. C.C. Ltd., P.O. Tapin North, District Hazaribagh in terminating the services of Sri Shibu Yadav, Electrical Helper in Ref. No. 214 of 1987, Shri Bhuneswar Sharma in Ref. No. 244 of 1987, Shri Kapildeo Sharma in Ref. No. 223 of 1987 and Shri Ram Kishun Yadav, time rated worker in Ref. No. 249 of 1987 is not justified. Consequently, the above concerned workmen are entitled to be reinstated in their original job with full back wages from the date of their dismissal to the date of their

reinstatement with other consequential benefits. The management is therefore directed to instate the concerned workmen on their original jobs with payment of full back wages and other consequential benefits within one month from the date of publication of the Award.

This is my Award.

STATE : Bihar.

INDUSTRY : Coal.

Dated, the 31st October, 1991.

#### AWARD

It appears that a mistake has crept in the schedule to the order of reference of the present industrial dispute in the citation of the name of the colliery. The name of the colliery should be Bhowra (North) col-

liery instead of Bhowra (South) Colliery of M/s. B.C.C. Ltd., Let the schedule to the order of reference be amended accordingly. The appropriate Government is advised to amend the schedule to the order of reference as mentioned herein before.

2. The present reference arises out of Order No. L-20012/229/89-IR (Coal I), dated the 5th March, 1990 passed by the Central Government in respect of an industrial dispute between the parties mentioned above. The subject matter of the dispute has been specified in the schedule to the said order and the said schedule, after amendment, runs as follows :—

“Whether the action of the management of Bhowra (N) Colliery, M/s. BCCL, P. O. Bhowra, Dt. Dhanbad in superannuating Shri Kashi Sau w.e.f. 1-1-1988 instead of 1-1-1995 is justified? If not to what relief the workman is entitled?”

3. The dispute has been settled out of Court. A memorandum of settlement has been filed in Court. I have gone through the terms of settlement and I find them quite fair and reasonable. There is no reason why an award should not be made on the basis of terms and conditions laid down in the memorandum of settlement. I accept it and make an award accordingly. The memorandum of settlement shall form part of the award.

4. Let a copy of this award be sent to the Ministry as required under section 15 of the Industrial Disputes Act, 1947.

Petition of Compromise.

The humble petition on behalf of the parties to the above reference most respectfully sheweth :

1. That the above dispute has been amicably settled between the parties on the following terms :—

(a) That considering the death of the concerned workman Kashi Saw on 25th September, 1988 after his retirement with effect from 1-1-88, it has been decided to give employment to the dependent of late Kashi Shaw on fulfilment all the conditions stipulated under Para 9.4.2 of NCWA-IV and on proper identification without entering into merit of his superannuation.

(b) That no person claiming any right through Late Kashi Saw, will be entitled to claim any wages, benefits, privileges etc. challenging validity of his superannuation with effect from 1-1-88 and for all practical purposes, it will be deemed that the concerned person was rightly superannuated with effect from 1-1-1988.

(c) That no person claiming any right through Late Kashi Saw will be entitled for the amount under life cover scheme so however the dependent to be employed will be paid Rs. 7500/- (Rupees seven thousand five hundred) only as full and final settlement of all claims arising out of the present dispute.

2. That in view of the above settlement there remains nothing to be adjudicated.

Under the facts and circumstances stated above the Hon'ble Tribunal will be graciously pleased to accept the Settlement as fair and proper and be pleased to pass the Award in terms of the Settlement.
